COMMONWEALTH of VIRGINIA

Virginia Employment Commission

John R. Broadway
Commissioner

October 31, 2012

Dear Employer:

The Virginia Employment Commission (VEC) wishes to extend an invitation to you to participate in the next meeting of the **Northern Virginia Employer Advisory Committee** (NVEAC) which will be a ***Winter Breakfast.*** The last NVEAC meeting was held on Wednesday, September 12, 2012 and the message focused on the "Key Factors Affecting our Local Economy". This message was presented by Dr. Stephen Fuller of George Mason University's Center of Regional Analysis and a panel of area Economic Development Directors from Alexandria, Arlington, Fairfax, Prince William, and Loudoun Counties. The Northern Virginia Economic Forecast Luncheon proved to be an informative and a successful event. Our December ***Winter Breakfast*** meeting will recap and discuss the material presented by the panelists for those who could not attend or wish to explore further. We will have video segments of the panel discussions from the September event.

The EAC offers an excellent networking opportunity among employers and serves as a professional forum to exchange information on a variety of topics of interest. Equally important is the valuable input the EAC provides to the VEC concerning programs and services that are essential to the Employer community.

SAVE THE DATE!

The ***Winter Breakfast*** meeting will be held from 8:00 am until 10:30 am on December 12, 2012 at the Four Point Sheraton, 10800 Vandor Lane, Manassas, VA 20109. A hot breakfast will be available to all registered attendees starting at 8:00 am and there will be a $20.00 registration fee per attendee. Please register your attendance today on: http://winterbreakfast.eventbrite.com
