ATTACHMENT TO ETA 790

The term "Employer" used herein shall refer to the employer(s) listed in section 1.

Workers recruited under this Job Order are recruited to work on the employer's farm in the certified occupation during the period of employment shown in Item 9. The employer/members will offer US workers at least the same opportunities, wages, benefits, and working conditions as those which the employer offers or intends to offer to non-immigrant foreign workers

1. Name and address of Employers: Produce of Carroll County; 1096 Buffalo View Rd. Hillsville, VA 24343.

9. Anticipated employment dates: 3/25/13 until 12/1/13.

10. The number of workers shown is the aggregate number of foreign workers that will be employed by the employer under this temporary employment certification. The approximate maximum number of workers (foreign and domestic) to be employed in the certified occupation is shown on the addendum. The numbers shown are approximations provided for the governing administrative agencies. The actual number of workers employed in the certified job opportunities of the grower at any given time may be more or less than the approximate numbers shown in the addendum, depending upon crop conditions, weather, markets or other circumstances that develop during the season. Employer anticipates hiring local workers in addition to this job order being filled.

11. Anticipated Hours of Work: Worker will report to work at the designated time and place as directed by the Grower each day. The standard work week is 7 hours per day Monday-Friday and 5 hours on Saturday is normal; however, workers may be requested to work 10 hours per day depending upon the conditions in the fields and maturity of the crops but will not be required to do so. Also, the workers may be requested to work on federal holidays and on their Sabbath but will not be required to do so. Workers may volunteer to work additional hours when work is available. Down Time: Workers should expect occasional periods of little or no work because of weather, crop or other conditions beyond the employer's control. These periods can occur anytime throughout the season.

13. Employers will furnish free cooking and kitchen facilities to those workers who are entitled to live in the employers' housing so that workers may prepare their own meals. Workers will buy their own groceries. Once a week the employers will offer to provide (on a voluntary basis by the workers) free transportation to assure workers access to the closest store where they can purchase groceries.

Housing is provided at no cost to workers who are not reasonably able to return the same day to their place of residence. This paragraph applies to such workers only. Housing is not provided to non-workers. Housing capacity is strictly regulated by the US Department of Labor, and no person, other than the eligible employees authorized by the employer, may occupy or remain overnight in employer-provided housing. Employer-provided housing must meet the full set of DOL Occupational Safety and Health Administration (OSHA) standards set forth at 29 CFR 1910.142, or the full set of standards set at §§ 654.404 through 654.417, whichever are applicable under § 654.401. The housing is offered as temporary in-season (during the employment period only) housing provided for migrant agricultural workers while they are employed at farms beyond normal commuting distance from their residence. Workers provided housing by the employer must promptly vacate the housing upon termination of employment. No charge will be made for beds or cooking utensils and similar items furnished to workers to whom housing is provided hereunder unless unlawfully removed or damaged beyond normal wear and tear. All housing is group housing in which all workers will share kitchens and common areas without regard to gender. Female workers, however, will be provided with sleeping facilities shared only with other family members or with other females. Sex-segregated toilets facilities will be provided. Workers who reside in such housing agree to be responsible for maintaining the housing in a neat and clean manner. Reasonable repair costs of damage or loss of property, other than that caused by normal wear and tear will be charged to the worker if he is found to be responsible for damage or loss to housing or furnishings. Workers residing in employer's housing may have mail directed to them at the employer's address on attached addendum. When public accommodations (hotel or motel) are used, the workers will be provided 3 meals per day for \$11.13 per day, or the current subsistence amount as posted in the Federal Register. Pursuant to the regulations at 20 CFR 655.122(d)(1)(ii), we, the employer, will provide rental and public accommodations or another substantially similar class of habitation which will meet local standards for such housing. In the absence of applicable local or State standards, DOL OSHA standards at 29 CFR 1920.142 will apply, during the period of employment that is the subject of the labor certification application, as attested to in the ETA Form 9142 – Appendix A.2.

14. All local and intrastate (in state) applicants are to apply directly to the employer, between the hours of 9:00 am – 3:00 pm (Eastern Standard Time) Monday – Thursday. Applicants MUST call the employer, Deborah Goad, at (276) 728-6633 prior to coming, to schedule an appointment. For interstate (out of state) applicants should apply at their local state employment agency. State employment service agency staff is encouraged to call to make a referral while the applicant is at the Job Service office during times disclosed above. Completing an application and an in person (for local applicants) interview is part of the hiring process. Participation and monitoring of the interview process by SWA staff guarantees proper disclosure of the terms and conditions and protects the integrity of the interview process. Workers should be fully apprised by the local employment office of the terms, conditions and nature of employment prior to referral. This will enable applicants to review all the information and make an informed decision about the job and will ensure compliance with disclosure requirements. Completing an application is part of the hiring process.

Only workers legally entitled to work in the United States and who possess original identity and employment eligibility documents sufficient to complete INS Form I-9, as required by the Immigration and Nationality Act, will be permitted to complete the hiring process. Workers referred against this order should be informed that they must have these documents in their possession when they arrive at the place of employment. Provided that workers complete section 1 of form I-9, workers will have three business days to produce the required documentation to complete section 3 of form I-9, as provided in the Act. Workers not providing this documentation will not be allowed to go to work on the fourth business day of employment, or any subsequent days until the documentation is provided, as provided in the Act. Completion of an application is part of the interview/hiring process.

The employer may terminate the worker (foreign and/or domestic) with notification to the employment service if employer discovers a criminal conviction record or status as a registered sex offender that employer reasonably believes, consistent with current law, will impair the safety and living conditions of other workers.

15. Job Specifications: **All applicants must have 3 months verifiable experience working in vegetables.**

Sanitation Requirements: For food and general personal safety purposes, all workers will be required and expected to follow common sanitary practices at all times. This is particularly critical when hand harvesting crops for human consumption. Employees are required to cleanse their hands by washing them thoroughly with soap and water after using the bathroom and before entering the fields for harvest activities or the packing facility for packing operations.

Cucumbers, Sweet Corn, Okra, Squash, Tomatoes, and Beans: Workers will bend and stoop to pick vegetables according to size, color, shape and degree of maturity and place into field containers. Workers may carry full container weighing approximately forty (40) lbs. and empty into field bin or load onto trailer. May be required to pull and discard culls as directed by supervisor. Pickers will take care not to bruise or scar produce. Pre-harvest activities for tomatoes may include staking, tying, transplanting and pruning. Workers will stand on feet for long periods of time. Workers are required to work in fields when plants are wet with dew or rain. Temperatures in fields during working hours can range from forty (40) to over one hundred (100) degrees.

Cabbage: Workers will cut mature cabbage heads using knife as specified by employer. Products will then be placed into sacks or boxes and placed on trailer for transport. Workers may grade products removing bad or damaged leaves and repack for shipment. Workers will be required to stay on their assigned row. All cabbage work will be hourly paid.

Potatoes and Sweet Potatoes: Workers will walk along row, which has been previously plowed. Will bend over, scratch dirt and pick out potatoes. Potatoes which are one (1) inch in diameter and larger will be placed in 5/8 bushel buckets. Potatoes smaller than one (1) inch in diameter are discarded in the row middle. Filled buckets are taken to trucks or trailers for dumping. Workers will receive ticket or token for each bucket and return to assigned row to continue work. Worker must carefully handle potatoes and avoid bruising. Workers will be required to stay on their assigned row.

Hay and Straw: Move along rows of previously baled hay and straw, bending, stooping and lifting 30 to 60 lb. bales. Load and stack bales onto a truck or trailer, move tractor or truck in the field incidental to loading. Worker may unload and restack for storage. All hay and straw work is hourly-paid.

Tractor Operation During Field Operations: During field operations, workers may be required to drive a tractor pulling a wagon through the field or between fields incidental to the job being performed. Workers will be instructed in the safety and operation of the tractor before driving the tractor. Tractors should be driven in a manner to protect operator, other workers, products, trees, crops, and equipment. Repeated failure to obey safety requirements and operating instructions may result in termination.

Minor Crops: This employer may grow one or more other crops. Farmers frequently decide whether to plant these crops and what additional crops they will plant after this application is submitted. Information on crops planted after submission of this application will be disclosed in writing to the U.S. Department of Labor for approval as soon as it is known.

The worker understands that if he abandons his employment or is terminated for cause prior to the end of the period of employment shown in Item 9 he will forfeit the 3/4 guarantee and reimbursement of certain transportation costs described elsewhere in this job order. Excessive absences and/or tardiness, as defined in the Work Rules attached hereto, cannot be tolerated and may result in termination.

Employers will provide tools and equipment at no cost for workers to perform the above tasks. Workers will be charged for any willful damage to or loss of such tools and equipment.

GENERAL CONDITIONS APPLICABLE TO ALL CROPS: Field work begins at assigned time shortly after daylight. Work is performed during light rain and in high humidity and in temperatures ranging from below 40 degrees to 90 degrees F. Workers will work on their feet in bent position for long periods of time. Workers will supply their own work clothes. All the tasks in this Job Description constitute one (1) job; the employer may assign workers to different tasks on any day or to multiple tasks during the same day in the sole judgment of the employer. Workers may be required to perform work, on the farm, that is incidental to farming the crops listed in the application, such as performing hand cultivation tasks, weeding or hoeing, cleaning and repairing farm buildings, seed beds, racks, grounds, operate tractor/farm equipment incidental crop set up and move irrigation pipes and equipment, gardening, weeding and shrubbing, etc. .

Full Crop Commitment: This is regular work, seven hours per day, Monday-Friday, and five hours on Saturday for the full remainder of the period of employment. Work may be slack at times. The worker understands that if he quits or is terminated for cause prior to the end of the period of employment, he will not receive the 3/4 guarantees discussed below and will not receive certain transportation reimbursements discussed below. Excessive tardiness and/or absences will not be tolerated and will result in termination.

Daily individual work assignments, crew assignments, and location of work, will be made by and at the sole discretion of the farm manger and/or farm supervisor as the needs of the farming operation dictate. Workers may be assigned a variety of duties in any given day and/or different tasks on different days.

16. Wage Rates, Special Pay Information and Deductions: Harvesting specifications, in particular, can change from time to time during the season due to crop or market conditions, even on the same crop. Workers will be expected to conform to the specific instructions given for each day(s) work.

The farm owner/supervisor or a designated employee will provide specific instructions and close supervision. Workers will be expected to perform their duties in a timely and proficient manner and will have close supervision to insure adherence to instruction. Work will be closely monitored and reviewed for quality.

All work will be paid the adverse effect wage rate (AEWR) of \$9.68 per hour. In the event that the Department Of Labor promulgates a new AEWR applicable to any portion of the period of employment covered by this job order which is higher or lower than the AEWR herein, the employer will pay the higher AEWR, and may, at the employer's discretion pay the lower AEWR, beginning with the effective date of the new AEWR. Employer will pay the highest of the AEWR, prevailing wage, the piece rate, the agreed-upon collective bargaining wage or the Federal or State minimum wage at the time the work is performed.

All domestic and/or nonresident seasonal workers employed pursuant to this job order who satisfactorily completed the previous crop season may be compensated above the stated hourly wage rate. The decision to pay above the stated prevailing hourly rate will be made by the employer, at his sole discretion, and will be based on factors including the recipient's performance and tenure.

Employer retains the right to discharge an obviously unqualified worker, malingering or recalcitrant worker who is physically able but does not demonstrate the willingness to perform the work necessary for the employer to grow a premium quality product.

A. The employer will make the following deductions from the Worker's wages: FICA taxes, State, and Federal Income tax as required by law. Workers will be charged for the following: cash advances and repayment of loans, repayment of overpayment of wages to the worker, payment for articles which the Worker has voluntarily purchased from the Employer, long-distance telephone charges, recovery of any loss to the Employer due to the Worker's damage (beyond normal wear and tear) or loss of equipment or housing items where it is shown that the Worker is responsible, and any other charges expressly authorized by the Worker in writing. No deduction not required by law will be made that brings the worker's hourly earnings below the statutory minimum wage. FICA, State and Federal taxes will not be deducted from those worker's wages that are working under a temporary, agricultural visa unless required or requested to do so.

B. Employers guarantee to offer employment for the hourly equivalent of 3/4 of the workdays of the total specified period during which the work contract and all amendments thereof are in effect, beginning with the first workday after the workers' arrival at the assigned Grower's farm, ready, willing, able, and eligible to work and ending on the expiration date specified in the work contract and all extensions thereof upon the termination of this employment as provided below. For purposes of this guarantee, a "workday" consists of seven hours Monday-Friday and five hours on Saturday. The worker is not required to work on his Sabbath or on federal holidays which are New Year's Day, January 1; Martin Luther King, Jr.'s birthday, the third Monday in January; Presidents Day, the third Monday in February; Memorial Day, the last Monday in May; Independence Day, July 4; Labor Day, the first Monday in September; Columbus Day, the second Monday in October; Veteran's Day, November 11; Thanksgiving Day, the fourth Thursday in November; and Christmas Day, December 25. On certain of these days, work may be available. If the worker at the conclusion of his work agreement has been afforded less employment opportunity than required under this provision, the worker will be paid at his average hourly rate for the hours, in addition to those actually offered, up to the hourly equivalent of the guaranteed number of days. In determining whether the guarantee of employment has been met, any hours which the Worker fails to work during a workday when he is offered the opportunity to work by the Employer and all hours of work actually performed shall be counted toward meeting this guarantee. In addition the employer may count hours of work offered all hours for which work was offered and not worked which do not exceed a total of hours worked and hours offered but not worked of the normal work hour. The guarantee described in this paragraph shall not apply if the worker voluntarily abandons this employment before the end of the contract period or in the event the worker is terminated for a lawful job-related reason. The guarantee described in this paragraph shall not apply to an H-2A alien worker who is terminated because of the employer's compliance with the requirement to employ all qualified eligible US workers who apply during the first 50 percent of the employment period in accordance with the rule at 20 CFR 655.122(i)(4).

C. This employment guarantee shall be terminated before the end of the Period of Employment if the services of the workers are no longer required for reasons beyond the control of the Employer due to fire, frost, flood, drought, hail, other Act of God which makes fulfillment of this contract impossible. In such cases, the employer will make efforts to transfer worker to other comparable employment acceptable to worker. If such transfer is not effective, workers will be returned at Employer's expense to the place from which Worker, without intervening employment, came to work for employer. In the event of such termination, the 3/4-guarantee period ends on the date of termination. The guarantee shall be void from the beginning should the Worker voluntarily abandon this employment before the end of the contract period or in the event the Worker is terminated for lawful job-related reason, and the employer notifies the SWA, NPC, and DHS in the case of an H-2A worker, in writing or by any other method specified by the Department or DHS in a manner specified in a notice published in the Federal Register not later than 2 working days after such abandonment occurs and this will relieve the employer from subsequent transportation and subsistence costs and the 3/4th guarantee.

D. The payroll period shall be weekly. Workers will be paid weekly.

E. Employer will provide a worker referred through the Agricultural Recruitment System forty (40) hours of work for the week beginning with the anticipated date of need, unless the employer has amended the date of need by notifying the local employment service office at least 10 working days prior to the original date of need. If the employer fails to notify the order-holding office, then employer shall pay an eligible worker referred through the interstate clearance system \$9.68 per hour for the first week, or $\$9.68 \times 40 = \387.20 , starting with the original anticipated date of need. The employer may require the worker to perform alternative work if the guarantee cited in this section is invoked. If the worker fails to notify the order-holding office of his continuing interest in the job no sooner than nine working days and no later than five

working days before the date of need, the worker will be disqualified from the above-mentioned assurance. Alternative work will be general farm labor and farm maintenance activities including, cleaning and maintaining migrant housing, pulling and chopping weeds, cutting ditch banks and hedge rows, cutting fire wood, fence mending and the repair and maintenance of farm buildings and equipment.

F. The Employer will furnish to the worker, on or before each payday one or more written statements showing the worker's total earnings for the pay period, his hourly rate or piece rate (if applicable); the hours of work which have been offered to the worker, the total hours actually worked by the worker, an itemization of all deductions made from the worker's wages; the worker's net pay; the units produced daily, if piece rate are used; the beginning and ending dates of the pay period; the employer's name, address and IRS identification number. Employer will abide by regulations as stated at 20 CFR 655.122(j)(k).

17. Transportation: The Employer will not advance transportation and subsistence costs to Workers for transportation to the place of employment.

The following paragraphs related to inbound and outbound transportation pertain only to workers who are not within commuting distance and cannot return to their place of residence the same day and are, therefore, eligible for the benefit. After a worker has completed 50% of the work contract employer will reimburse travel as stated below.

The Employer will offer transportation to and from the daily work site to workers living in employers' housing at no cost to workers. The use of this daily transportation is voluntary; no worker is required as a condition of employment to utilize the daily transportation offered by the employer to get to the worksite. Employees are always free to make arrangements to get to and from the designated work site any way they choose at their own expense. For those employees who voluntarily choose to utilize the free employer provided transportation, the vehicles will depart from a predestinated time and place each day. Time spent in travel to and from the daily worksite is not compensable under the Portal-to-Portal Act found at 29 CFR 785.50 and US DOL regulations.

All eligible applicants will have their inbound reasonable transportation expenses reimbursed, one time only. Domestic applicants from outside of the normal commuting distance that voluntarily chose not to reside in the employer provided housing; the employer will pay the worker for the initial reasonable costs incurred for inbound transportation and subsistence from the place from which the work has come to work for the employer, whether in the U.S. or abroad to the place of employment. However, the employer will not reimburse any workers for daily transportation cost whether commuting from inside or outside of the area of intended employment. Employer will not pay for voluntary trips back to their residence due to family emergencies, or vacations.

The amount of such transportation payment will be equal to the Worker's actual transportation costs not to exceed the most economical and reasonable common carrier transportation charges for the distance involved. In lieu of the above payments to the workers for transportation, the employer reserves the right to charter or otherwise arrange to provide for transportation at the employer's election. Subsistence reimbursement shall be \$11.13 per day, without producing documentation of actual expenses, or will otherwise be paid as per 20 CFR 655.122(h) only to those employees who are eligible under the H-2A program regulations for subsistence pay. Maximum Amount to be reimbursed with receipts is \$46.00. By way of illustration and not in limitation of the foregoing, the employer will not pay transportation for such worker if he does not have suitable documents to comply with proof of identity and employment eligibility requirements of IRCA, if he is discharged for lawful job-related reasons, or if he abandons this employment when he is needed by the Grower. Employer will provide transportation and subsistence under this agreement if the worker is terminated because of work related injury caused by this/these crop activities and is so certified by a doctor acceptable to employer before leaving employers farm, or termination resulting from an Act of God which makes fulfillment of this contract impossible as provided in paragraph 16C or if the worker is displaced by a U.S. worker under DOL's 50% rule. Employer will offer free transportation for workers living in employer's housing facility both to and from the daily work site. The use of the transportation by the worker is voluntary; no worker will be required as a condition of employment to utilize the transportation offered by the employer. Workers are free to choose their own means of transportation at their own expense.

In accordance with Departmental regulations 20 CFR 655.122 (o), if, before the expiration date specified in the work contract, the services of the worker are not longer required for reasons beyond the control of the employer due to fire, weather, or other Act of God that makes the fulfillment of the contract impossible, the employer may terminate the work contract. Whether such an event constitutes a contract impossibility will be determined by the CO. In the event of such termination of a contract, the employer must fulfill a three-fourths guarantee for the time that has elapsed from the start of the work contract to the time of its termination. The employer will make efforts to transfer the worker to other comparable employment acceptable to the worker, consistent with existing immigration law, as applicable. If such transfer is not affected, the employer will (1) return the worker at the employer's expense to the place from which the worker (disregarding intervening employment) came to work for the employer, or transport the worker to the worker's next certified H-2A employer, whichever the worker prefers; (2) pay the worker for any costs incurred by the worker for transportation and daily subsistence to that employer's place of employment; (3) reimburse the worker the full amount of any deductions made from the worker's pay by the employer for transportation and subsistence expenses to the place of employment.

For US workers who complete the work contract and are eligible for the outbound transportation benefit, the Employer will provide or pay for the worker's reasonable cost of return transportation and subsistence from the place of employment to the place from which the worker departed to work for the employer, except when the worker will not be returning to the place of recruitment due to subsequent employment with another employer. If the subsequent employer has not agreed to provide or pay for the worker's transportation to the subsequent place of employment, the Employer will provide or pay for the transportation and subsistence to the subsequent place of employment in lieu of providing or paying for such expenses from the place of employment to the place from which the worker departed to work for the employer. If the subsequent employer has agreed to provide or pay for the worker's transportation and subsistence to the subsequent place of employment the Employer will not provide or pay for such expenses. The Employer reserves the right to arrange charter or other return transportation. Workers eligible for this benefit who do not wish to avail themselves of employer arranged return transportation would be provided their outbound

transportation and subsistence by check. In those circumstances, the grower will distribute the checks as soon as all work is completed, as determined by the employer, and the worker is ready to depart. Workers may select any means of transportation home they choose, however, the reimbursement is limited to the most economical and reasonable common carrier transportation cost for the distance involved. Workers who arrange their own transportation understand they assume all liability and hold harmless the growers/association for any damages, injuries, and personal or property losses.

Other Conditions of Employment:

Termination: Employer may terminate the worker for lawful job-related reasons if the worker: a) refuses without justified cause to perform work for which the worker was recruited and hired, b) commit serious act(s) of misconduct or serious or repeated violation(s) of the assigned grower's work rules; the Employer may make and post work rules which shall apply to this employment; the worker shall abide by such rules (a copy of Work Rules is attached) c) fails after completing the training period to perform the work as specified in Item 15 and Attachment, or d) malingerers or otherwise refused without justified cause to perform as directed the work for which the Worker was recruited and hired; e) provides other lawful job-related reason(s) for termination of employment f) abandons this employment; five consecutive scheduled working days of unexcused absence shall be an abandonment of employment; (f) employees must notify the assigned Grower and secure permission for necessary absences g) falsifying identification, personnel, medical, production or other work related records h) fails or refuses to take random drug test for all employees i) commits acts of insubordination j) the employer may terminate the worker (foreign or domestic) with notification to the employment service if employer discovers a criminal conviction record or status as a registered sex offender that employer reasonably believes, consistent with current law, will impair the safety and living conditions of other workers. The employer will not provide separate formal orientation or training periods for each different crop or each different type of task or job assignment covered within the job description. After completion of the training period, the employer will expect all workers possess the skills to work in the production of the crops noted in Item II. For purposes of this section seven or more hours will be considered one day.

H. Work Agreement: A copy of the contract or Job Clearance Order and work rules (copy attached) will be provided to the worker by the employer no later than on the day the time at which the worker applies for the visa (for foreign workers), or to a worker in corresponding employment no later than when the employment is offered, in a language understood by the worker.
