Kroger Marketplace #540 is an all-in-one 123,000 square foot facility that expands Kroger's assortment offerings in select categories. The expanded General Merchandise department includes Apparel, Baby World, and Household selections. Perishable departments have also increased their variety to include a Meat/Seafood grilling station, Starbucks, and an Outdoor Garden Center. This store offers the best assortment in the supermarket/food class of trade and is a positive point of difference.
