

Employer Advisory Committee

November 5, 2012

Dear Employer:

The Northern Virginia Employer Advisory Committee in partnership with the Virginia Employment Commission (VEC) wishes to extend an invitation to you to participate in the next meeting which will be a *Winter Breakfast*.

SAVE THE DATE!

The *Winter Breakfast* meeting will be held from 8:00 am until 10:30 am on December 12, 2012 at the Four Point Sheraton, 10800 Vandor Lane, Manassas, VA 20109. A hot breakfast will be available to all registered attendees starting at 8:00 am. There will be a \$20.00 registration fee plus a minimal surcharge per attendee. Please register your attendance today on: <http://winterbreakfast.eventbrite.com>

The last NVEAC meeting was held on Wednesday, September 12, 2012 and the message focused on the "Key Factors Affecting our Local Economy". This message was presented by Dr. Stephen Fuller of George Mason University's Center of Regional Analysis and a panel of area Economic Development Directors from Alexandria, Arlington, Fairfax, Prince William, and Loudoun Counties. The Northern Virginia Economic Forecast Luncheon proved to be an informative and a successful event. Our December *Winter Breakfast* meeting will recap and discuss the material presented by the panelists for those who could not attend or wish to explore further. We will have video segments of the panel discussions from the September event.

The EAC offers an excellent networking opportunity among employers and serves as a professional forum to exchange information on a variety of topics of interest. Equally important is the valuable input the EAC provides to the VEC concerning programs and services that are essential to the Employer community.

Any additional questions regarding this meeting may be directed to John Gulka, Director of Operations, Training Intelligence Agency, LLC, (703) 288-8752 ext. 1518. To view an online announcement of the meeting, please visit the VEC website at www.vec.virginia.gov.
