### Virginia's Industry Profiles

The Virginia Employment Commission produces a series of profiles for various industries within Virginia. The industry profiles include current and historical data on the number of establishments, wages, employment, and Unemployment Insurance Tax rates. Also included are maps of wages and employment by city and county. The data within the profiles come from the Quarterly Census of Employment and Wages program. The industry profiles can be found at [VirginiaLMI.com](http://VirginiaLMI.com) under publications.

Recently completed profiles include:

- **Mining, Quarrying, and Oil and Gas Extraction**
- **Manufacturing**
- **Finance and Insurance**
- **Real Estate and Rental and Leasing**
- **Private and Public Educational Services**

Other industry profiles will be completed and announced throughout the year.
