

Job Fair

Saturday, April 12, 2014

10:00am – 2:00pm

1864 Concert Drive

Virginia Beach, VA

LifeNet Health currently has multiple openings for a **Processing Technician**. Both morning and evening shifts are available.

In this position you will perform all aspects of processing, preservation and storage of tissues in a FDA regulated environment. Demonstrated success in a health care capacity or technical trade preferred. Experience in woodworking, construction, machining, or general power tool use is a plus.

Presentations regarding our Vivigen product and tissue process will take place at:

10:30 am

12:00 pm

1:30 pm

Please register with your resume online at:

https://www3.recruitingcenter.net/Clients/lifenet/PublicJobs/controller.cfm?jbaaction=JobProfile&Job_Id=10740&esid=az, where you may also view a full description of this position, and remember to bring multiple copies of your resume to this event.

LifeNet Health helps save lives and restore health for thousands of patients each year. We are the world's most trusted provider of transplant solutions, from organ procurement to new innovations in bio-implants technologies and cellular therapies- a leader in the field of regenerative medicine, while always honoring the donors and healthcare professionals that allow the healing process.

We look for individuals to join our organization that have a focus on customer care, quality, innovation and culture.

LifeNet Health also has other positions currently available.
