

In celebration of **NATIONAL APPRENTICESHIP WEEK**,
please join us at our

APPRENTICESHIPS/ON-THE-JOB TRAINING INFORMATION OPEN HOUSE

**Have you ever thought you might be interested
in one of these occupations?**

Computerized Numerical Control (CNC) Operator
Welder * Maintenance Mechanic
HVAC Technician * Machinist * Electrician * Plumber
Cosmetologist * Barber * Nail Technician * Optician

**These trades are in high demand, and each requires an APPRENTICESHIP.
Registered Apprenticeships are national, industry-recognized credentials
and are a tried and true path to **higher paying careers!****

Friday, November 6, 2015 * 9 am to 1 pm
Fishersville VEC Office
1076 Jefferson Hwy, Staunton

- Just ask your questions.... no sign-ups or commitments are expected.
- Learn about requirements for specific occupations, finding employer sponsors, classes vs. on-the-job learning, schedules and time frames, and more.
- Explore possibilities of funding for OJT programs and apprenticeships.
- All are welcome, whether you are currently employed or unemployed.
 - **Veterans** and their families are encouraged to attend!
 - Learn more and see more occupations

at www.doli.virginia.gov/apprenticeship/registered_apprenticeship.html.

*Please make sure you have an active, basic registration in the Virginia Workforce Connection (www.vawc.virginia.gov). Come early if you need to register or update (and feel free to stay late if you are looking for employment and would like some **job search assistance!**).*
