1. "Migrant Farmworker" shall mean a person who, during the preceding 12 months, worked at least on month in farmwork, earned at least half of his/her income from farmwork, and who had to travel to do the farmwork so that he/she was unable to return to his/her permanent place of residence within the same day. Full time students who are not traveling as members of a family group are excluded.
2. "Migrant Food Processing Worker" shall mean a person who, during the preceding 12 months, has worked at least one month in food processing (as classified in the 1972 Standard Industrial Classification (SIC) definitions 210, 2033, 2035, and 2037 for food processing establishments), earned at least half of his/her earned income from processing work, and was not employed in food processing year-round by the same employer, provided that the food processing required travel such that the worker was unable to return to his/her residence (domicile) in the same day.
3. "Seasonal Farmworker" shall mean a person who, during the preceding 12 months, worked at least one month in farmwork, earned at least half of his/her earned income from seasonal farmwork, and was not employed in farmwork year-round by the same employer.
