12. Transportation Arrangements / Arreglos de Transportación (Please explain)
 The Employer will not advance transportation and subsistence costs to Workers from whom the employer is legally obligated to supply housing. After worker has completed 50% of work contract period, employer shall reimburse worker for reasonable cost of transportation and subsistence from place of recruitment to place of work. Upon completion of the work agreement, employer will pay for such Workers reasonable cost of return transportation and subsistence to the place of recruitment, except when the worker will not be returning to the place of recruitment, due to subsequent employment with another employer who does not agree to pay such costs, in which case the employer only pays for the transportation and subsistence to the next job. The amount of such transportation payment will be equal to the Worker's actual transportation costs not to exceed the most economical and reasonable common carrier transportation charges for the distance involved. By way of illustration and not in limitation of the foregoing, the employer will not pay transportation for such workers if he does not have suitable documents to comply with proof of identity and employment eligibility requirements of IRCA, if he is discharged for lawful job-related reasons, if he has knowledge at the place of recruitment that he can not perform the duties of the job as described above, or if he abandons this employment when he is notified by the Grower (see attachment / para más detalles vea **12**)

F-5. Job Specifications: There will be no smoking allowed in the field, and packing areas.

Employers will provide tools and equipment at no cost for workers to perform the above tasks. Workers will be charged for any willful damage to or loss of such tools and equipment.

Sanitation Requirements: For food and general personal safety purposes, all workers will be required and expected to follow common sanitary practices at all times. This is particularly critical when hand harvesting crops for human consumption. Employees are required to cleanse their hands by washing them thoroughly with soap and water after using the bathroom and before entering the fields for harvest activities or the packing facility for packing operations.

Tomatoes: Workers will help in installing plastic and drip irrigation tubing of raised beds in tomato rows in field. Workers will cover edges of plastic with soil using long handled shovels being careful not to tear or puncture plastic. Workers will plant, weed, drive stakes and apply string every two plants, prune all suckers to the first main fork on the tomato plant being careful not to break leaves or injure the stem of the plant. At harvest time workers will pick mature green tomatoes from vine, remove stems and place in a standard 5/8-bushel plastic picking bucket.

Care must be exercised to prevent bruising of the tomatoes. When the picking buckets are full, the worker will carry them to the truck, where they are dumped into bins for transport to the packing house. Tomato vines and fruit must be free of moisture before harvest begins. This drying usually occurs by noon, therefore, workers are expected to begin work around noon and continue until 8:00 p.m. After the tomatoes are transported to the packing house, workers will assist in the unloading, dumping, grading and packing. The workers may make boxes and lids, place different grade sizes of tomatoes in boxes, apply lids, and stack on pallets and load trucks for transportation to market. Much of the packing house work will be done in the evenings of the same days the tomatoes are harvested.

Workers will also pick red/pink tomatoes at times. When doing this they will remove from the vines all tomatoes that are showing any red or pink color, ranging from a small spot of red on the blossom end to a fully red tomato. Workers will place harvested tomatoes in standard 5/8 bushel plastic picking buckets discarding any cal-faced, deformed, decayed or water damaged tomatoes on the ground between rows.

Care must be exercised to prevent bruising of the tomatoes. When the picking buckets are filled the worker will carry them to truck where they are graded and field packed. Worker will clean tomatoes where necessary with cleaning cloth furnished by employer. Worker will separate tomatoes into extra large and large sizes and into light pink, pink and red colors and place in individual 25-pound boxes. Workers will stack filled and lidded boxes on pallets for transport to the packing house. Workers may assist in unloading boxes from trucks at the packing house.

After harvest is complete, workers will remove plastic and irrigation drip tape from rows of tomatoes and place in piles for loading onto trucks, being careful to completely remove all plastic and drip tape from field. Workers will cut string from stakes and then pull, pile and load tomato stakes.

Squash and Peppers: Workers will bend and stoop to pick vegetables according to size, color, shape and degree of maturity and place into field containers. Workers may carry full container weighing approximately forty (40) lbs. and empty into field bin or load onto trailer. May be required to pull and discard culls as directed by supervisor. Pickers will take care not to bruise or scar produce.

Melons, and Cantaloupes: Workers will walk along rows and cut melons according to size, color, shape and degree of maturity using a knife. May carry to trailer or windrow. Other conditions, same as above. The pay rate for watermelons, and cantaloupes is hourly paid.

Tractor Operation During Field Operations: During field operations, workers may be required to drive a tractor pulling a wagon through the field or between fields incidental to the job being performed. Workers will attach farm implements. Workers will drive tractors to apply herbicides, fungicides, and pesticides to control diseases and insects. Workers will be instructed in the safety and operation of the tractor before driving the tractor. Tractors should be driven in a manner to protect operator, other workers, products, trees, crops, and equipment. Repeated failure to obey safety requirements and operating instructions may result in termination.

Farm, Field and Shed Sanitation: All workers will be responsible for picking up trash, cleaning bathrooms, sweeping floors and other farm and shed sanitation duties.

The worker understands that if he abandons his employment or is terminated for cause prior to the end of the period of employment shown in Item 6 he will forfeit the 3/4 guarantee and reimbursement of certain transportation costs described elsewhere in this job order. Excessive absences and/or tardiness, as defined in the Work Rules attached hereto, cannot be tolerated and may result in termination.

GENERAL CONDITIONS APPLICABLE TO ALL CROPS: Field work begins at assigned time shortly after daylight. Work is performed during light rain and in high humidity and in temperatures ranging from 85 (+) degrees to 35 degrees F. Workers will work on their feet in a bent position for long periods of time. Workers will supply their own work clothes. All the tasks in this Job Description constitute one (1) job; the employer may assign workers to different tasks on any day or to multiple tasks during the same day in the sole judgment of the employer. May also operate a tractor on a limited and incidental basis, as is the norm in growing diversified commodities, and assist in land preparation and planting/cultivation activities. Workers may be required to perform work on the farm, that is incidental to farming the crops listed in the application, such as performing hand cultivation tasks, weeding or hoeing, cleaning and repairing farm buildings, seed beds, racks, grounds, operate tractor/farm equipment incidental crop set up and move irrigation pipes and equipment, gardening, weeding and shrubbing, etc.

Full Crop Commitment: This is regular work, seven hours per day, Monday-Friday, and five hours on Saturday for the full remainder of the period of employment. Work may be slack at times. The worker understands that if he quits or is terminated for cause prior to the end of the period of employment, he will not receive the 3/4 guarantees discussed below and will not receive certain transportation reimbursements discussed below. Excessive tardiness and/or absences will not be tolerated and will result in termination.

Daily individual work assignments, crew assignments, and location of work, will be made by and at the sole discretion of the farm manager and/or farm supervisor as the needs of the farming operation dictate. Workers may be assigned a variety of duties in any given day and/or different tasks on different days.

ATTACHMENT TO ETA 790

The term "Employer" used herein shall refer to the named employer(s) in section 1.

Workers recruited under this Job Order are recruited to work on the employer's farm in the certified occupation during the period of employment shown in Item 6. The employer/members will offer US workers at least the same opportunities, wages, benefits, and working conditions as those which the employer offers or intends to offer to non-immigrant foreign workers.

1. Name and Address of Employer: Hear Seventeen Inc, Route 915 Crittenden Road (PO Box 30), Hardyville, VA 23070

4. Employers will furnish free cooking and kitchen facilities to those workers who are entitled to live in the employers' housing so that workers may prepare their own meals. Workers will buy their own groceries. Once a week the employers will offer to provide (on a voluntary basis by the workers) free transportation to assure workers access to the closest store where they can purchase groceries.

Housing is provided at no cost to workers who are not reasonably able to return the same day to their place of residence. This paragraph applies to such workers only. Housing is not provided to non-workers. Housing capacity is strictly regulated by the US Department of Labor, and no person, other than the eligible employees authorized by the employer, may occupy or remain overnight in employer-provided housing. The housing is offered as temporary in-season (during the employment period only) housing provided for migrant agricultural workers while they are employed at farms beyond normal commuting distance from their residence. Workers provided housing by the employer must promptly vacate the housing upon termination of employment. No charge will be made for beds or cooking utensils and similar items furnished to workers to whom housing is provided hereunder unless unlawfully removed or damaged beyond normal wear and tear. All housing is group housing in which all workers will share kitchens and common areas without regard to gender. Female workers, however, will be provided with sleeping facilities shared only with other family members or with other females. Sex-segregated toilets facilities will be provided. Workers who reside in such housing agree to be responsible for maintaining the housing in a neat and clean manner. Reasonable repair costs of damage or loss to housing or furnishings. Workers residing in employer's housing may have mail directed to them at the employer's address on attached addendum. Workers will be provided a name and telephone number where they may be contacted in case of emergency while residing in the housing.

No tenancy in such housing is created; employer retains possession and control of the housing premises at all times and worker, if provided housing under the terms of this work agreement, shall vacate the housing promptly upon termination of employment with the assigned employer who provides such housing. Workers who reside in such housing agree to be responsible for maintaining the housing in a neat and clean manner. Reasonable repair costs of damage or loss of property, other than that caused by normal wear and tear will be charged to the worker if he is found to be responsible for damage or loss to housing or furnishings. Workers residing in employer's housing may have mail directed to them at the employer's address on attached addendum. Workers will be provided a name and telephone number where they may be contacted in case of emergency while residing in the housing.

5. All local and intrastate (in state) applicants and interstate (out of state) applicants are to contact employer, at (804) 694-9743, Monday through Thursday between the hours of 9:00 am and 4:00 pm, and on Fridays from 9:00 am until 11:00 am. Employer will interview the person for 1) Availability for entire season, 2) Available transportation to the job site, 3) Has been fully appraised by the local employment services of the terms and conditions of employment. Workers recruited against the Job Offer from within normal commuting distance will not be provided with housing, subsistence and transportation. Those that apply direct will be welcomed and accepted. Workers should be fully appraised by the local employment office of the terms, conditions and nature of employment prior to referral.

Only workers legally entitled to work in the United State and who possess original identity and employment eligibility documents sufficient to complete INS Form I-9, as required by the Immigration and Nationality Act, should report to work. Workers referred against this order should be informed that they must have these documents in their possession when they arrive at the place of employment. Provided that workers complete section 1 of form I-9, workers will have three business days to produce the required documentation to complete section 3 of form I-9, as provided in the Act. Workers not providing this required documentation will not be allowed to go to work on the fourth business day of employment, or any subsequent days until the documentation is provided, as provided in the Act.

6. Anticipated dates of employment: 2/8/10 until 10/18/10.

7. The approximate maximum number of workers to be employed in the certified occupation by the grower is shown in the Addendum (the list of employers). The actual number of workers employed in the certified job opportunities of the grower at any given time may be more or less than the approximate numbers shown in the addendum, depending upon crop conditions, weather, markets or other circumstances that develop during the season.

8. Anticipated Hours of Work: Worker will report to work at the designated time and place as directed by the Grower each day. The standard work week is 7 hours per day Monday-Friday and 5 hours on Saturday is normal; however, workers may be requested to work 10 hours per day depending upon the conditions in the fields and maturity of the crops but will not be required to do so. Also, the workers may be requested to work on federal holidays and on their Sabbath but will not be required to do so. Workers may volunteer to work additional hours when work is available. Down Time: Workers should expect occasional periods of little or no work because of weather, crop or other conditions beyond the employer's control. These periods can occur anytime throughout the season.

11. Job Specifications: **There will be no smoking allowed in the field, and packing areas.**

Employers will provide tools and equipment at no cost for workers to perform the above tasks. Workers will be charged for any willful damage to or loss of such tools and equipment.

Workers will be expected to perform their duties in a timely and proficient manner and will have close supervision to insure adherence to instruction. Work will be closely monitored and reviewed for quality.

75% of cost payroll expensing on crop activity
 All work will be paid the adverse effect wage rate (AEWR) of \$7.25 per hour. In the event DOL promulgates a new AEWR during the recruitment or work contract period, which is lower than the current AEWR at the time of application, this lower AEWR becomes the guarantee at the discretion of the employer. In the event the AEWR is eliminated from the H-2A program during the life of this work agreement, either administratively or legislatively, the employer reserves the right to pay the new wage rate under the new guidelines as soon as it becomes effective.

A. The employer will make the following deductions from the Worker's wages: FICA taxes and State* and Federal Income tax as required by law. Workers will be charged for the following: cash advances and repayment of loans, repayment of overpayment of wages to the worker, payment for articles which the Worker has voluntarily purchased from the Employer, long-distance telephone charges, recovery of any loss to the Employer due to the Worker's damage (beyond normal wear and tear) or loss of equipment or housing items where it is shown that the Worker is responsible, and any other charges expressly authorized by the Worker in writing. No deduction not required by law will be made that brings the worker's hourly earnings below the statutory federal or state minimum wage. FICA, State and Federal taxes will not be deducted from those worker's wages that are working under a temporary, agricultural visa. (*if applicable).

B. Employers guarantee to offer employment for the hourly equivalent of 3/4 of the workdays of the total specified period during which the work contract and all amendments thereof are in effect, beginning with the first workday after the workers' arrival at the assigned Grower's farm, ready, willing, able, and eligible to work and ending on the expiration date specified in the work contract and all extensions thereof or upon the termination of this employment as provided below. For purposes of this guarantee, a "workday" consists of seven hours Monday-Friday and five hours on Saturday. The worker is not required to work on his Sabbath or on federal holidays which are New Year's Day, January 1; Martin Luther King, Jr.'s birthday, the third Monday in January; Presidents Day, the third Monday in February; Memorial Day, the last Monday in May; Independence Day, July 4; Labor Day, the first Monday in September; Columbus Day, the second Monday in October; Veteran's Day, November 11; Thanksgiving Day, the fourth Thursday in November, and Christmas Day, December 25. On certain of these days, work may be available. If the worker at the conclusion of his work agreement has been afforded less employment opportunity than required under this provision, the worker will be paid at his average hourly rate for the hours, in addition to those actually offered, up to the hourly equivalent of the guaranteed number of days. In determining whether the guarantee of employment has been met, any hours, which the Worker fails to work during a workday when the Employer offers him the opportunity to work, and all hours of work actually performed shall be counted toward meeting this guarantee. In addition the employer may count hours of work offered all hours for which work was offered and not worked which do not exceed a total of hours worked and hours offered but not worked of the normal work hour. The guarantee described in this paragraph shall not apply if the worker voluntarily abandons this employment before the end of the contract period or in the event the worker is terminated for a lawful job-related reason. The guarantee described in this paragraph shall not apply to an H-2A alien worker who is terminated because of the employer's compliance with the requirement to employ all qualified eligible US workers who apply during the first 30 days of the employment period in accordance with the rule at 20 CFR 655.102(f)(3)(i), percent of the contract period.

C. This employment guarantee shall be terminated before the end of the Period of Employment if the services of the workers are no longer required for reasons beyond the control of the Employer due to fire, frost, flood, drought, hail, other Act of God which makes fulfillment of this contract impossible. In such cases, the employer will make efforts to transfer worker to other comparable employment acceptable to worker. If such transfer is not effective, workers will be returned at Employer's expense to the place from which Worker, without intervening employment, came to work for employer. In the event of such termination, the 3/4-guaranteed period ends on the date of termination. The guarantee shall be void from the beginning should the Worker voluntarily abandon this employment before the end of the contract period or in the event the Worker is terminated for lawful job-related reason.

D. The payroll period shall be weekly. Workers will be paid weekly.

E. Employer will provide a worker referred through the Agricultural Recruitment System forty (40) hours of work for the week beginning with the anticipated date of need, unless the employer has amended the date of need by notifying the local employment service office at least 10 working days prior to the original date of need. If the employer fails to notify the order-holding office, then employer shall pay an eligible worker referred through the interstate clearance system \$7.25 per hour for the first week, starting with the original anticipated date of need. The employer may require the worker to perform alternative work if the guarantee cited in this section is invoked. If the worker fails to notify the order-holding office of his continuing interest in the job no sooner than nine working days and no later than five working days before the date of need, the worker will be disqualified from the above-mentioned assurance. Alternative work will be general farm labor and farm maintenance activities including, cleaning and maintaining migrant housing, pulling and chopping weeds, cutting ditch banks and hedge rows, cutting fire wood, fence mending and the repair and maintenance of farm buildings and equipment.

F. The Employer will furnish to the worker, on or before each payday one or more written statements showing the worker's total earnings for the pay period, his hourly rate or piece rate (if applicable); the hours of work which have been offered to the worker, the total hours actually worked by the worker, an itemization of all deductions made from the worker's wages; if piece rates are used, the units produced daily; the worker's net pay; the employer's name, address and IRS identification number.

12. Transportation: In accordance with the regulations found at 20 CFR 655.104(h)(1), (2), and (3) the following paragraphs under section 17 are the terms and conditions, in their entirety, related to the transportation benefit and related subsistence benefit, when applicable, provided under this clearance order.

The Employer will offer transportation to and from the daily work site at no cost to the workers entitled to the housing benefit. The use of this daily transportation by eligible workers is voluntary; no worker is required as a condition of employment to utilize the daily transportation to the worksite offered by the employer. Employer will provide free transportation to eligible workers from the housing site to the worksite and return. Workers are always free to choose their own means of transportation at their own expense.

The following paragraphs related to inbound and outbound transportation pertain only to workers who are not within commuting distance and cannot return to their place of residence the same day and are, therefore, eligible for the benefit.

The Employer will not advance transportation and subsistence costs to the place of employment for any worker.

The employer will reimburse workers' costs of inbound transportation and subsistence to the extent required by the H-2A regulations not later than the date on which the worker has completed 50 percent of the period of employment beginning on the first day the worker is at the place of employment and available for work and the ending date of employment set forth in Item 6. The employer will provide or pay for workers' return transportation and subsistence to the extent required by the H-2A regulations for workers who complete the period of employment set forth in Item 6 or whose services are no longer required by the employer, whichever occurs first. Reimbursement of inbound and return transportation will only be provided to workers upon agreeable completion of the work agreement except when the worker will not be returning to the place of recruitment, due to subsequent employment with another employer who does not agree to pay such costs, in which case the employer only pays for the transportation and subsistence to the next job.

For US workers eligible for the inbound transportation benefit, the Employer will reimburse US workers who complete 50 percent of the work contract period and who are beyond commuting distance the reasonable cost of transportation and subsistence from the place from which the worker has departed to the employer's place of employment. The amount of the reimbursement for transportation cost will be the worker's actual transportation cost from the place from which the worker has departed to the employer's place of employment, and by regulation is not required to exceed the most economical and reasonable common carrier transportation cost for the distance involved. For eligible foreign (H-2A) workers coming from outside the United States, this reimbursement benefit basis is the place from which the worker departed is the place of recruitment which DOL has interpreted in the regulations to mean the appropriate US consulate or port of entry. All other criteria for this benefit are identical, as described in this paragraph, for foreign and domestic workers. The employer reserves the right to arrange charter or other transportation to assure the lowest available inbound transportation cost. Such inbound transportation will be at the worker's expense. Workers who do not avail themselves of such transportation, when available, will be reimbursed only the per worker cost of the employer-arranged transportation.

For US workers who complete the work contract and are eligible for the outbound transportation benefit, the Employer will provide or pay for the worker's reasonable cost of return transportation and subsistence from the place of employment to the place from which the worker departed to work for the employer, except when the worker will not be returning to the place of recruitment due to subsequent employment with another employer. If the subsequent employer has not agreed to provide or pay for the worker's transportation to the subsequent place of employment, the Employer will provide or pay for the transportation and subsistence to the subsequent place of employment in lieu of providing or paying for such expenses from the place of employment to the place from which the worker departed to work for the employer. If the subsequent employer has agreed to provide or pay for the worker's transportation and subsistence to the subsequent place of employment the Employer will not provide or pay for such expenses. For foreign (H-2A) workers who came to work from outside the United States, this outbound transportation benefit basis is the place from which the worker has departed will be considered to be the appropriate US consulate or port of entry as interpreted by DOL in the regulations. All other criteria for this benefit are identical, as described in this paragraph, for foreign and domestic workers. The Employer reserves the right to arrange charter or other return transportation. Workers eligible for this benefit who do not wish to avail themselves of employer arranged return transportation would be provided their outbound transportation and subsistence checks through the grower via US mail. In those circumstances, the grower will distribute the checks as soon as all work is completed, as determined by the employer, and the worker is ready to depart. Workers may select any means of transportation home they choose, however, the reimbursement is limited to the most economical and reasonable common carrier transportation cost for the distance involved. Workers who arrange their own transportation understand they assume all liability and hold harmless the growers/association for any damages, injuries, and personal or property losses.

The employer will not reimburse, pay for or provide transportation and subsistence to a worker who does not provide documentation of identity and employment eligibility required to complete INS Form I-9, or who has knowledge at the place of recruitment that he can not perform the duties of the job as described in this job order, or who abandons his employment, or who is discharged for lawful job related reasons. The Employer will provide or pay for transportation and subsistence under this agreement if the worker is terminated because of work related injury and is so certified by a doctor acceptable to the Employer before leaving the place of employment, or is terminated because of an Act of God which makes fulfillment of the work contract impossible, as provided in paragraph 9C, or if the worker is displaced by a U.S. worker under the 30 day rule in 20 CFR 655.102(f)(3)(i).

Daily subsistence reimbursement will be paid to workers who are eligible for reimbursement of transportation costs in accordance with the regulations at 20 CFR 655.104(h)(1), which refers to 20 CFR 655.104(g) and is governed by 20 CFR 655.114(a), which is capped at \$9.90 per day for 3 meals under the regulation.

Other Conditions of Employment:

A. Termination: Employer may terminate the worker for lawful job-related reasons and so notify the Job Service local office if the worker: a) refuses without justified cause to perform work for which the worker was recruited and hired, b) commit serious act(s) of misconduct or serious or repeated violation(s) of the assigned grower's work rules; the Employer may make and post work rules which shall apply to this employment; the worker shall abide by such rules (a copy of Work Rules is attached) c) fails after completing the training period to perform the work as specified in Item 11 and Attachment, or d) malingers or otherwise refused without justified cause to perform as directed the work for which the Worker was recruited and hired; e) provides other lawful job-related reason(s) for termination of employment f) abandons this employment; two consecutive scheduled working days of unexcused absence shall be an abandonment of employment; employees must notify the assigned Grower and secure permission for necessary absences g) fails to keep up with fellow workers h) falsifying identification, personnel, medical, production or other work related records i) fails or refuses to take a drug test j) commits acts of insubordination. "Reason beyond employer's control" includes termination of worker, if he is not a U.S. worker because a U.S. worker makes himself available for the job under DOL's 30-day rule.

Workers must notify the employer prior to voluntarily terminating their employment. All wages due will be forwarded to the last known address for Workers that leave without providing notice. It is imperative that workers provide a complete and accurate address to the employer no later than the first day of employment. These employers have a no complete, no rehire policy. Termination for lawful job related reasons before the

specified ending date listed in this application will disqualify the employee from future employment opportunities with this employer. Workers who abandon their employment without notice during the period covered by this work agreement will be disqualified from future employment opportunities with this employer. Voluntary resignation before the specified ending date listed in this application may disqualify the employee from future employment opportunities with this employer. For workers who resign their employment voluntarily, the employer will consider and evaluate special circumstances and hardship cases on a case-by-case basis. Employees, without exception, are required to notify appropriate supervisory staff prior to voluntarily terminating their employment to be considered and eligible for exemption to the no complete - no rehire policy.

B. The employer may discipline the worker, including requiring the worker to leave the field ("time out") for a period determined by the foreman, suspension from employment for up to three days, or termination of employment as described in termination (A) above.

C. Injuries: Worker will be covered by Worker's Compensation Insurance or equivalent employer provided insurance for injuries arising out of and in the course of employment. Employer's proof of insurance coverage will be provided to the Regional Administrator before certification is granted. All workers must report all injuries and illnesses to their employer. Failure not to do so may result in termination.

D. Employer Obligation if Employment Extended: No extension of employment beyond the Period of Employment specified in the job order shall relieve the Employer from paying the wages already earned, or if specified in the job order as a term of employment, providing return transportation or paying return transportation expenses to the Worker.

E. Employer Notification of Changes in Employment Terms and Conditions: Employers will expeditiously notify the order-holding local office or State agency by telephone immediately upon learning that a crop is maturing earlier or later, or that weather conditions, over recruitment, or other factors have changed the terms and conditions of employment. The terms of this Work Agreement thereafter may be changed upon posted notice to the Worker.

F. Outreach Workers: Outreach workers shall have reasonable access to the Worker in the conduct of outreach activities pursuant to 20 CFR 653.107 and 20 CFR 653.501.

G Training: There will be a short training period (up to 3 days) to familiarize workers with job specifications, to demonstrate proper methods and other fish-related issues. The employer will not provide separate formal orientation or training periods for each different fish or each different type of task or job assignment covered within the job description. After completion of the training period the employer will expect all workers to possess the skills to work in the production of the crops noted in Item II. For purposes of this section seven or more hours will be considered one day.

H. Work Agreement: A copy of the contract or Job Clearance Order and work rules (copy attached) will be provided to the worker by the employer no later than on the day the work commences.

I). U.S. workers may or may not be covered by unemployment insurance and may or may not be eligible under current unemployment regulations.

J. Employer agrees to abide by the regulations at 20 CFR 655.105, Assurances, and 20 CFR 653.501.

K. The employer as a part of positive recruitment as per 20 CFR 655.102(d)(1-4) is willing, if and when any substantial number of applicants are available, to coordinate group transportation arrangements (to facilitate their purchase of bus tickets etc.), where appropriate, and to provide any additional information that workers need to coordinate their arrival.

L. We are an equal opportunity employer. Women and minorities are encouraged to apply to these positions.

M. There are not any strikes, work stoppage, slowdowns or interruption of operations by employees at the place where the workers will be employed.

N. There are no arrangements made with establishment owners or agents for the payment of a commission or other benefits for sales made to the workers.

O. SUBSTANCE ABUSE POLICY: The employer will strive to provide a safe and healthful work environment, free of substance abuse, for the protection of our associates, employees and visitors. The use, possession or being under the influence of illegal drugs or alcohol during working time is prohibited. (Alcohol may be permitted in the housing facility outside work hours.) Employees may be requested to take random drug or alcohol tests at no cost to the worker. Failure to comply with the request or testing positive may result in immediate termination.

P. Grievance and Arbitration Procedure: As required by Department of Labor regulations, all workers (foreign or domestic) have a right to file a grievance or complaint with the nearest local office of the Virginia Employment Security Commission, as described in 20 CFR 658, Subpart E (Job Service Complaint System). As an option, Heart Seventeen Inc provides a grievance and arbitration procedure available to all workers (domestic and/or foreign) for the resolution of grievances involving Covered Rights arising out of employment under this clearance order. This procedure is established for workers, at no cost to the worker, to use for the resolution of complaints not made through an administrative process (such as through the Job Service Complaint System, the Virginia Employment Security Commission, the U.S. Department of Labor, the Equal Employment Opportunity Commission, etc.). Employees must agree to use this procedure as an alternative to filing suit in local, state or federal court as a condition of employment.

If a timely filed grievance under the Heart Seventeen Inc procedure involving a Covered Right is not resolved to the satisfaction of the worker and/or has not been referred to a government agency, the worker may request confidential, binding arbitration of the grievance as the worker's sole remedy. A Covered Right is defined as a violation of statutory or common law rights, such as discrimination, harassment, or retaliation based on race, sex, national origin, color, religion, age, or disability; wrongful termination or constructive discharge; workers' compensation

retaliation, denial of medical leaves under any law, including the Family and Medical Leave Act; common-law torts based on negligence or intentional acts; breaches of contract; "right to work" violations; and disputes regarding pay, including claims under the Fair Labor Standards Act and any applicable state wage and hour law.

Mission and Goals: The Virginia Farmworkers Legal Assistance Project is a federally-funded legal services organization providing legal assistance and community education to migrant farmworkers throughout the Commonwealth of Virginia. Farmwork is the second most dangerous occupation in this country. More than 42,000 farmworkers labor in Virginia, and face numerous problems -- including unpaid wages, pesticide exposure, and on-the-job accidents. The workers' legal issues are compounded by the cultural, geographic, and linguistic barriers they face.
