§ 9 WAGE RATES, SPECIAL PAY INFORMATION AND DEDUCTIONS:

In accordance with 20 CFR § 655.122(l) governing rates of pay, the wage rate offered herein is the highest of the adverse effect wage rate, the prevailing hourly rate, the agreed upon collective bargaining wage, or the federal or State minimum wage, in effect at the time work is performed for every hour or portion thereof worked during a pay period covered by the approved labor certification. If the worker's piece rate earnings for a pay period result in average hourly earnings of less than the guaranteed minimum, the worker will be provided make-up pay to the guaranteed minimum rate.

ALCO VEST

The employer will pay the prevailing piece rate in a crop activity for which a piece rate is specified if the DOL determines that a higher piece is prevailing in the crop activity in the area of intended employment than the piece rate specified herein. The employer will apply the prevailing hourly rate in a crop activity for which an hourly rate is specified if DOL determines that a higher hourly rate is prevailing in the crop activity in the area of intended employment other than the hourly rate specified herein. In the event DOL promulgates a new AEWB during the recruitment or work contract period which is higher or lower than the AEWB herein, the higher AEWB or, at the discretion of the employer, the lower AEWB, will become the guarantee.

In the event the AEWB is eliminated from the H-2A program during the life of this work agreement, either administratively or legislatively, the employer reserves the right to pay the new wage rate under the new guidelines as soon as it becomes effective.

The employer will make the following deductions from the worker's wages: FICA taxes and Federal Income tax as required by law; cash advances and repayment of loans; repayment of overpayment of wages to the worker; payment for articles which the worker has voluntarily purchased from the employer; long-distance telephone charges; recovery of any loss to the employer due to the worker's damage, beyond normal wear and tear, or loss of equipment or housing items where it is shown that the worker is responsible. No deduction not required by law will be made that brings the worker's hourly earnings below the higher of the federal minimum wage and Virginia minimum wage.

The employer will not pay the worker a bonus.

Payroll periods will be weekly. On or before each payday, workers will be provided with an hours and earnings statement, which contains, at a minimum, (i) total earnings for the pay period; (ii) hourly rate and/or piece rate of pay; (iii) hours of employment offered to the worker (showing offers in accordance with the 3/4ths guarantee separate from any hours offered over and above the guarantee); (iv) hours actually worked by the worker; (v) itemization of all deductions; (vi) if piece rates are used, the units produced daily; (vii) beginning and ending dates of the pay period; and, (viii) the employer's name, address and FEIN, all in compliance with 20 CFR § 655.122(k).

Employer guarantees to offer workers employment for a total number of work hours equal to a least three-fourths (3/4ths) of the workdays of the total period beginning with the first workday after the arrival of the worker at the place of employment and the worker is ready, willing, able and eligible to work, and ending on the expiration date specified in the work contract or any extensions thereof or upon the termination of this employment as specified hereinbelow. Details of the 3/4ths guarantee are outlined in 20 CFR § 655.122(i). For purposes of this guarantee, a "workday" consists of seven hours daily Monday through Friday and five hours on Saturday. Workers may be offered work on federal holidays and on their Sabbath but will not be required to do so. Pursuant to 20 CFR § 655.122(n), workers who voluntarily abandon employment or are terminated for cause, and where the employer provides timely notification to the NPC and DHS, will relieve the employer for subsequent transportation and subsistence costs and the 3/4ths guarantee. The employer may terminate the work contract where the services are no longer required for reasons beyond the employer's control due to fire, weather, or other Act of God. In the event of contract impossibility, the employer will fulfill a three-fourths guarantee for the time that has elapsed from the start of the work contract to the time of its termination, the employer shall perform its obligations prescribed at 20 CFR § 655.122(o)(1-3).

All requests for leave of absence must be in writing. All absences will be counted towards hours offered for the purpose of computing the 3/4 guarantee.

Employer will provide a worker referred through the Interstate Clearance System a full week's work for the week beginning with the anticipated date of need in accordance with 20 CFR 653.501(d)(2)(v)(A), unless employer has amended the date of need by notifying the local order-holding office no later than ten (10) days before the date of need. If the worker fails to notify the order-holding office of his continuing interest in the job no sooner than nine (9) working days and no later than five (5) working days before the date of need, the worker will be disqualified from the above-mentioned guarantee. The employer may require the worker to perform alternative work if the guarantee cited in this section is invoked. Alternative work will be general farm labor and farm maintenance activities including, but not limited to, stacking tobacco racks, cleaning and maintaining migrant housing, pulling and chopping weeds, cutting ditch banks and hedge rows, ditching, cutting fire wood, mending fences, and the general repair, upkeep and maintenance of the farm buildings, equipment and the farmstead in general.

Pursuant to 20 CFR 655.122(e)(1), the employer will provide worker's compensation insurance, at no cost to the worker, covering injury and disease arising out of, and in the course of, the worker's employment. Prior to labor certification determination, the employer will provide proof of worker's compensation insurance coverage to the certifying officer in accordance with 20 CFR 655.122(e)(2). In the event that the current coverage will expire during the period of need reflected on attached ETA 790, Item 9, the employer gives written assurance of its intent to renew and maintain continuous coverage for the entire dates of need, as evidenced by the signed and dated ETA 790 to which this assurance is attached.

§ 13 BOARD ARRANGEMENTS:

Employer will furnish free and convenient cooking and kitchen facilities so workers may prepare their own meals. Workers will buy their own groceries. Once a week, the employer will provide (on a voluntary basis) transportation to assure workers access to stores where they can purchase groceries.

These arrangements apply only to workers who are recruited outside the area of intended employment.

These numbers are estimates as total work force needs are dependent upon weather, crop conditions, and worker availability.

OTHER: The working conditions will comply with applicable federal and State minimum wage, child labor, social security, health and safety, farm labor contractor registration and other employment-related laws. The employer is an Equal Employment Opportunity Employer and will offer United States workers at least the same opportunities, wages, benefits, and working conditions as those which the employer offers or intends to offer non-immigrant workers.

PROHIBITIONS AGAINST EMPLOYEES PAYING FEES: The employer and its agents have not sought or received payment of any kind from any employee subject to 8 U.S.C. § 1188 for any activity related to obtaining H-2A labor certification, including payment of the employer's attorneys' fees, application fees, or recruitment costs, as prohibited by 20 CFR § 655.135(j). Costs that are the responsibility and primarily for the benefit of the worker, such as government-required passport fees, are not included in this prohibition.

CONTRACTS WITH THIRD PARTIES COMPLY WITH PROHIBITIONS: The employer has contractually forbidden any foreign labor contractor or recruiter, if any, whom the employer engages, either directly or indirectly, in international recruitment of H-2A applicants to seek or receive payments from prospective employees, except as provided for in Department of Homeland Security regulations at 8 CFR § 214.2(h)(5)(xi)(A).

NOTICE OF WORKER RIGHTS: The employer agrees to post and maintain in a conspicuous location at the place of employment a poster to be provided by the Secretary of Labor as described at 20 CFR § 655.135(l), when such poster is available from the Secretary.

ARBITRATION AGREEMENT: As a condition of employment, workers agree to submit all disputes arising out of, in the course of, or pertaining to employment under this work contract to binding arbitration instead of filing suit in local, State or federal court. *Binding arbitration of all*

disputes (including but not limited to violations of statutory or common law rights, wrongful discharge, negligence or intentional torts, breaches of contract, and disputes regarding pay including claims under the Fair Labor Standards Act and any State wage and hour law) shall be the workers' exclusive remedy for dispute resolution, except for claims properly made through an administrative process. Arbitration shall be conducted in the City of Clinton, Sampson County, North Carolina, in accordance with the arbitration rules and procedures of the American Arbitration Association.

FORUM SELECTION: The State and federal courts having jurisdiction over Sampson County, North Carolina, shall have exclusive jurisdiction of and shall be the proper forum for any action arising out of, in the course of, or pertaining to employment under this work contract.

CERTIFICATION FOR EXEMPTION FROM FIFTY PERCENT RULE: Pursuant to 20 CFR § 655.135(d), employer certifies that it (1) did not, during any calendar quarter during the preceding calendar year, use more than 500 man-days of agricultural labor; (2) is not a member of an association which has petitioned for H-2A certification for its members; and, (3) has not otherwise associated with other employers who are petitioning for H-2A workers. Unless exempted from said fifty percent rule as requested, employer agrees to abide by said rule.
