

2008 Jobs for Veterans Act (JVA) Veterans' Incentive Awards

This award recognizes Virginia Employment Commission (VEC) and other Virginia workforce employees for extraordinary service and commendable efforts on behalf of veterans. All employees who provide excellent service to veterans or have improved and modernized methods of service delivery are eligible for this award. Employees, managers, clients and employers may submit nominations.

The nomination form for this year's Veterans' Incentive Award is available on the VEC Intranet (Field Operations page/Veterans Program link) and on the Veterans page of the VEC website for access by internal and external customers. As with previous year's nominations, we are requiring the signature of a Manager or Regional Director for nominations submitted from within the agency.

Cash awards are given to individuals who go the extra mile to provide service to veterans. Nominations that do not receive at least a minimum score will not receive a cash award. Keep in mind, the stronger the nomination the greater the opportunity for a cash award. A review panel will be used to rate the nominations.

Nominations must be *received* in the VEC central office no later than Tuesday, July 1, 2008.
