Veterans

Did you just get out of the military or have you been out for a while and have not found the career that you are looking for?

Tired of filling out applications time and time again only to find out you are not qualified or the job has been filled?

Veterans Employment Training Services will help you get started in a new and rewarding career. We have opportunities with different industries nationally. We network with numerous industries and specialize in blue collar jobs. We work with the transportation industry, oil and gas, and companies that focus on maintaining American infrastructure.

Why apply to only one company? VETS has relationships with many companies so your Career Adviser will source your resume out to multiple opportunities. And only companies that you qualify to work for and that have vacancies. Don't let your application be another one in the pile, we will make sure that your application goes to a company that wants to hire you.

Don't have the training to get you the job you are looking for? Don't worry, VETS will help you get training, we have relationships with schools nationally that provide the training you need. We work with VA Approved schools only so you can use your VA Education benefits to get the skills necessary.
