READ CAREFULLY: In view of the statutorily established basic function of the Employment Service as a no-fee labor exchange, that is, as a forum for bringing together employers and job seekers, neither the ETA nor the State agencies are guarantors of the accuracy or truth-fullness of information contained on job orders submitted by employers. Nor does any job order accepted or recruited upon by the One-Stop Career Center constitute a contractual job offer to which the One-Stop Career Center, ETA or a State agency is in any way a party.
LEASE CUIDADOSAMENTE: En vista de su función básica establecida estatutariamente el Servicio de Empleo es un intercambio gratis de trabajo para juntar a los empleadores y trabajadores que buscan empleo, ni ETA ni las agencias del estado pueden garantizar la verdad y certeza de la información contenida en la Orden de Trabajo sometida por el Empleador. Tampoco, ninguna orden de trabajo aceptada o reclutada por el Servicio de Empleos constituye una oferta contractual de la cual ETA ni la agencia del Estado son parte

Public reporting burden for the ETA Form 790 is estimated to be approximately 60 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and reviewing the collection. Respondents obligation to reply to these requirements are mandatory by 20 CFR 653.500. Persons are not required to respond to this collection of information unless it displays a currently valid OMB control number. Comments regarding this burden estimate or any other aspect of this collection, including suggestions for reducing the burden can be sent to the U.S. Department of Labor, Office of Workforce Investment, Room S-4321, Washington, D.C. 20210 (Paperwork Reduction Project 1205-0134).

Travel 6.5 – 7.0 miles. At Tanglewood development, turn left onto 626 Blackridge Road. Travel 2 miles. Mobile home on left.

Item 10 – Job Specifications

Worker will be required to work in cold, wet, hot, humid weather (temps from just below 30 degrees to above 100 degrees), and be able to stand on feet for long periods of time. Worker should be physically able to lift up to fifty lbs. on a consistent basis throughout the day. During periods of light rain when worker will be required to work, rain gear will be provided at no cost to the worker. Worker will also be provided with gloves, steel-toed shoes, and protective glasses as needed at no cost to them. Worker will be exposed to bees and other types of potentially harmful insects, as well as pesticides to all of which worker should not knowingly be allergic.

For planting grapes & blueberries: In prepared soil, worker will space plants 6 to 10 feet apart (depending on the variety). For each vine, worker will dig a hole 12 inches deep and 12 inches wide, making sure the hole will accommodate the roots, then refill the hole with soil and water. Worker may need to trim off any broken roots or roots too long to fit into the hole without crowding.

For pruning grapes & blueberries: While pruning vines, worker will receive proper tools for the job, i.e. hand snips. The supervisor will instruct on the set pattern for this function and demonstrate to the worker. Worker will be assigned rows and must prune each vine according to the demonstrated standard.

For picking grapes & blueberries: Worker will be assigned a row and is responsible for picking all the proper grapes & blueberries from that row. Grapes & blueberries are selected from the vine according to size and/or color standard set by the supervisor. The entire vine must be checked to ensure removal of all fruit meeting the picking requirements. Grapes are placed gently in the picking container until container is full. Blueberries are placed gently in the picking container until container is full. The full picking container is then gently emptied into a field bin, taking care not to spill or bruise the fruit.

For orchard maintenance: Workers will be required to hoe, weed, spread fertilizer by hand, repair and build trellis's, use hand sprayers, remove vines, lay irrigation pipe, repair and maintain drip system, and train grape vines. All equipment will be provided by the employer at no cost to the worker.

Item 11 – Wage Rates, Special Pay Information and Deductions

The current Adverse Effect Wage Rate (AEWR) of \$9.02 per hour or the AEWR in effect at the time work is performed, the prevailing hourly rate, or the legal Federal or State Minimum Wage Rate, whichever is highest, is guaranteed to all workers. In the event the US Department of Labor (DOL) promulgates a new AEWR during the recruitment or work contract period that is lower than the current AEWR at the time of application, the employer will continue to pay \$9.02 per hour guaranteed minimum (unless there is a prevailing hourly wage that is higher than the AEWR.)

The employer guarantees to offer employment for a minimum of three-quarters (3/4) of the workdays of the total specified period during which the work contract and all extensions thereof are in effect beginning with the first work day after worker's arrival at the place of employment and ending on the expiration date specified in the work contract or extensions thereof. In Act of God terminations, the three-quarters (3/4) guarantee period ends on the date of termination. The worker is not required to work more than eight (8) hours per day except when otherwise stated in the job order or on the worker's Sabbath or federal holiday to meet the guarantee period. The employer guarantees the worker the amount the worker would have earned had the worker in fact worked for the guaranteed number of days.

Page 2

Worker will be paid weekly.

The employer will provide worker who is referred through the Interstate Clearance System forty (40) hours of work for the week beginning with the anticipated date of need unless the employer has amended the date of need by notifying the local office no later than ten (10) days before the date of need. If the employer fails to notify the order holding office, then the employer shall pay an eligible worker who is referred through the Clearance System \$9.02 per hour for the first week starting with the originally anticipated date of need. The employer will require the worker to perform alternative work if the guarantee cited in this section is involved. The alternative work and pay will be \$9.02 per hour for other work related to growing grapes, blueberries, and operating a farm. If the worker who is referred fails to notify the order holding office of continued interest in the job at least five (5) days before the date of need, worker will be disqualified from the above mentioned assurance.

The employer will make the following deductions: FICA (X) Federal Taxes (X) State Taxes (X) as applicable.

Eight (8) hours per day is normal. The worker may be requested but not required to work more hours per day and/or on the Sabbath depending upon conditions in the fields. The employer will designate time for lunch and breaks. Worker may be requested to work Saturday and Sunday during peak grape & blueberry harvest and special vineyard needs but not required. This requirement pertains to both alien and US workers as per instructions in the H-2A Program Information Booklet.

Item 12 – Transportation

The employer will reimburse worker upon completion of 50% of the work contract for transportation and daily subsistence (not less than \$9.52 per day) from the place from which the worker, without intervening employment will come to work for the employer. In addition, those workers paying such transportation and subsistence expenses and who are terminated by the employer as a result of an Act of God (an Act of God shall mean any frost, hail, stones, flood or natural calamity of such character as to make further fulfillment of this contract impossible), and the RA certifies, or as a result of mutual agreement by worker and employer shall be reimbursed the same. All payment aforesaid shall be due on a day not later than the first day subsequent to the completion of the minimum employment period. In the case of termination as a result of an Act of God, the employer will also provide or pay the cost of return transportation and subsistence enroute from the place of employment to the place of recruitment, except when the worker is not returning to the place of recruitment and has subsequent employment with an employer who will bear transportation expenses.

If the worker completes his contract, the employer will provide or pay the cost of return transportation and subsistence enroute from the place of recruitment except when the worker is not returning to the place of recruitment, and has subsequent employment with an employer who will bear transportation expenses.

If the worker voluntarily abandons his employment or is terminated for cause prior to completion of his contract, the employer will not be responsible for providing or paying the cost of return transportation and subsistence enroute from the place of employment to the place of recruitment. All transportation provided by the employer will be by common carrier or other transportation facilities that conform to applicable regulations of the Interstate Commerce Commission. The employer will provide worker transportation from the living quarters to the work site and back each day at no cost to the worker.

Other Conditions of Employment

Termination: – The employer may terminate the worker with notification to the employment service local office if the worker (a) refuses without justified cause to perform work for which the worker was recruited and hired or (b) commits serious acts of misconduct.

In the event of termination resulting from an Act of God, the employer will provide or pay reasonable costs of return transportation and subsistence to the place of recruitment and reimburse worker for reasonable costs of transportation and subsistence incurred by the worker to the place of employment.

Training: - The only work standards required of any alien or US worker will be that after a three (3) day training period each worker possess the physical capabilities to work in the production of grapes & blueberries.

Injuries: - Worker will be covered by Workers Compensation Insurance or equivalent employer provided insurance for injuries arising out of and in the course of employment. Employer's proof of insurance coverage will be provided to the Regional Administrator before certification is granted.

Tools, Supplies, & Equipment: Employer will provide without charge all tools, supplies, and equipment to the worker.

Employer Obligation if Employment is Extended: No extension of employment beyond the period of employment specified in the job order shall relieve the employer from paying the wages already earned, or if specified in the job order as a term of employment, providing transportation or paying return transportation expenses to the worker.

Employer Notification of Changes in Employment Terms and Conditions: - Employer will expeditiously notify the Order Holding Local Office or State Agency by telephone immediately upon learning that a crop is maturing earlier or later, or weather conditions, over recruitment or other factors have changed the terms and conditions of employment.

Outreach Workers: Outreach workers shall have reasonable access to the worker in the conduct of outreach activities. The employer agrees to comply by all assurances of 20 CFR 653.107, 20 CFR 653.501, and 20 CFR 655.103.

Work Agreement: - The employer will provide a copy of the contract of Job Clearance Order to the worker no later than on the day the work commences.

Wage Statements: - Employer will furnish the worker on or before each pay period written statements showing the hours actually worked by the worker, the worker's hourly rate of pay, the hours of employment offered including those above the guarantee and total earnings for the pay period. Add deductions will be itemized.

Other: - Worker must have necessary documents to complete INS Form I-9 upon hiring but not prior to the interview. Workers will have up to three (3) days from date of hire to provide I-9 documents.

The employer's anticipated work force equals 5 workers.
