P.O. Box 167
Warsaw, Virginia 22572
(804) 333-3675

Employer's agent agrees to interview all United States Workers referred the State Employment Services, local or by supply states who have been screened by such employment services for:

1. Availability for entire season
2. Have transportation to job site
3. Have been fully apprised by the local employment office of the terms, conditions and nature of employment

Item 7 Number/Type of Workers

Workers must possess documentation required to enable employer to comply with the employment verification requirements of IRCA. Accurate completion of Form I-9 will be required of each worker within (3) days of employment pursuant to United States law. All worker hired under this job order must demonstrate eligibility to work legally in the United States. Refer to the back of Form I-9 for documents acceptable for purposes of establishing employment eligibility. After hiring, employer may verify legitimacy of social security numbers through Employment Verification System (EVS) for workers who have not been employed by him in previous years.

Workers should bring with them documents verifying their legal right to work in the United States when referred to this order and at the time of employment. Valid eligibility documents will be necessary to complete payroll tax withholding and I-9 forms.

Item 8. Work Week

The workday is from 7:30AM until 3:30 PM Monday through Friday and 8:00AM until 12 noon on Saturday with and unpaid lunch break (7hours/day and 5hours/day on Saturday. The worker may be required to work as much as 12 hours per day and/or on the Sabbath, depending on weather, seasonal demands of farms needs and other conditions.

Extreme heat, cold or drought may affect working hours. Employer will offer a minimum of 40 hours/week, weather and crop conditions permitting. Worker will report to work at designated time and place as directed by employer each day.

Item 10. Job Specifications

Jobs offered are work on diversified crop farm handling both manual and machine tasks associated with commodity production and harvest activities. Workers must be able to perform manual as well as mechanized activities with accuracy and efficiency.

Crops grown include pumpkins, strawberries, corn, organically grown small grains, soybeans and gourds. Workers may work on planters, planting seeds and transplanting seedlings. Workers may cultivate and weed as needed and assist with irrigation and fertilization. Assist in the production of organic compost and related activities. Workers must also stake/tie plants. Workers will trellis and prune plants. Workers will pick produce as it ripens. Considerable stooping and kneeling is required. Care must be taken to prevent damaging produce and plants.

Work is to be done in the field for long periods of time. Workers are expected to perform duties including boxing, weighing and loading crops. Workers may assist in loading trucks with boxed produce weighing from 50 to 75 pounds and lifting to a height of 5 feet.

In addition to the above activities workers may be required to perform variable general tasks such as the following: irrigation, ditching, shoveling, hoeing, hauling, ground preparation, laying plastic, weeding and other tasks related to farming.

Work may also include mechanized fieldwork using power equipment. By way of example and not limitation power equipment may include tractors, planters, sprayers, cultivators and other farm and packinghouse equipments. Workers will be expected to be able to operate agricultural equipment with or without direction.

Workers should be able to work on their feet in bent positions for long periods of time. Allergies to ragweed, goldenrod, insect spray, related chemicals, etc. may affect worker's ability to perform job. Workers should be physically able to do the work required with or without reasonable accommodations.

Workers are exposed to wet weather early in the morning through the heat of the day, working in fields. Temperatures may range from 10 to 100F. Workers may be required to work during occasional showers not severe enough to stop field operations.

Employer assures that workers will be provided transportation from living quarters to work site every day (for workers who must be provided housing.) Employer will accept any worker or workers who are capable of performing the work. Employer is willing to train workers for a period not to exceed 3 days (24 working hours). Persons seeking employment under the provisions of this job order should be available the entire period.

If the worker voluntarily abandons employment before the end of the job order period or is terminated for job related reasons or misconduct, the employer will not be responsible for providing or paying return transportation and subsistence expenses of workers.

Employer agrees to maintain adequate and accurate payroll records. The employer will furnish to each worker on payday and itemized accounting of earnings and of all legal and authorized deductions. FICA and FUTA deductions will be made for individual workers as applicable.

Item 12. Transportation

For workers who complete 50 percent of the work period, the employer will reimburse the worker for costs incurred by the worker for transportation and reasonable subsistence from the place from which the worker came to work for the employer to place of employment. Subsistence will be in accordance with current rates published in the **Federal Register** (for workers with and without receipts.) The amount of the reimbursement for transportation shall be the worker's actual cost, but no more than the most economical and reasonable similar common carrier transportation charges for the distance involved.

If the worker completes the period of employment, the employer will provide or pay for worker's transportation and reasonable subsistence from the place of employment to the place from which the worker came to work for the employer, except when the worker has accepted subsequent employment with another employer who agrees to accept the return transportation costs, in which case this employer only pays for the transportation to the next job.

For the purposes of the above requirements the "period of employment" shall be the period from the first workday the worker is at the employer's farm and is ready, willing, and able and eligible to work until the anticipated ending day of employment in Item 6.

Reimbursement of inbound and return transportation costs applies only to persons recruited from outside normal commuting distance (to and from their permanent place of residence each day; see page one). Return transportation will not be provided to workers who voluntarily abandon employment before the end of employment period or who are terminated for cause.

The employer will provide transportation at no cost to the worker from the employer provided housing to the worksite and return on a daily basis. Such transportation shall be in accordance with applicable laws and regulations. The use of this transportation is voluntary; no worker will be required as a condition of employment to utilize the transportation and subsistence if applicable.

If the services of the workers are no longer required for reasons beyond the control of the employer due to fire or other acts of God such as frosts, flood, drought, hail or the like which makes fulfillment of the work period impossible and Regional Administrator so certifies, the employer will provide reimbursement for transportation and daily subsistence from the place of recruitment for employees.

Assurances

The employer agrees to abide by the regulations at 20 CFR 655.103 and 20 CFR 653.501.

APPLICATION FOR CONDITIONAL ENTRY

I, Belvedere Plantation, as the employer agree to abide by the regulations at 20 CFR 655.103 and 20 CFR 653.501.

I hereby request permission for conditional entry into the intrastate/interstate clearance system so that my job order can be transmitted to labor supply states in a timely manner to facilitate the recruitment of supply workers. My housing was in compliance with USDOL regulations in 2007 but, because of disuse, cannot meet applicable standards at this time.

As a condition to placing my order into clearance, I, Belvedere Plantation, certify that 30 days prior to occupancy, my housing will meet standards of the US Department of Labor.

I also authorize representatives of the State Employment Service, the State Health Department and/or the United States Employment and Training Administration to inspect the housing that I am offering such workers at any reasonable time to verify its condition.

I expect my housing to occupied by March 02, 2009

Date

E. S. Representative

Date

We expect the total number of workers the employer will use in the occupation of this/these crop activities to be 8, of which 6 will be H-2A workers for which certification is requested and the balance will be United States workers. These numbers are estimates only as total work force needs are dependent upon weather, crop conditions and worker availability.
