Item 10. Anticipated Hours of Work

Worker will report to work at the designated time and place as directed by the Employer each day. The standard work week is 7 hours per day Monday-Friday and 5 hours on Saturday is normal; however, workers may be requested to work 10 hours per day depending upon the conditions in the fields and maturity of the crops but will not be required to do so. Also, the workers may be requested to work on federal holidays and on their Sabbath but will not be required to do so. Workers may volunteer to work additional hours when work is available. Down Time: Workers should expect occasional periods of little or no work because of weather, crop or other conditions beyond the employer's control. These periods can occur anytime throughout the season.

12. Wage Rates/Pay Information

Special Pay Information and Deductions: Harvesting specifications, in particular, can change from time to time during the season due to crop or market conditions, even on the same crop. Workers will be expected to conform to the specific instructions given for each day(s) work.

Instructions and general supervision will be provided by the owner/supervisor or a designated employee. However, field workers will be expected to perform their duties in a timely and proficient manner without close supervision.

All work will be paid the adverse effect wage rate (AEWR) of \$8.85 per. In the event DOL promulgates a new AEWR during the recruitment or work contract period which is lower than the current AEWR at the time of application, this lower AEWR becomes the guarantee at the discretion of the employer. In the event the AEWR is eliminated from the H-2A program during the life of this work agreement, either administratively or legislatively, the employer reserves the right to pay the new wage rate under the new guidelines as soon as it becomes effective.

A. The employer will make the following deductions from the Worker's wages: FICA taxes and Federal Income tax as required by law, cash advances and repayment of loans, repayment of overpayment of wages to the worker, payment for articles which the Worker has voluntarily purchased from the Employer, long-distance telephone charges, recovery of any loss to the Employer due to the Worker's damage (beyond normal wear and tear) or loss of equipment or housing items where it is shown that the Worker is responsible, and any other deductions expressly authorized by the Worker in writing.

B. Employers guarantee to offer employment for the hourly equivalent of 3/4 of the workdays of the total specified period during which the work contract and all amendments thereof are in effect, beginning with the first workday after the workers' arrival at the Employer's location, ready, willing, able, and eligible to work and ending on the expiration date specified in the work contract and all extensions thereof or upon the termination of this employment as provided below. For purposes of this guarantee, a "workday" consists of seven hours Monday-Friday and five hours on Saturday. The worker is not required to work on his Sabbath or on federal holidays which are New Year's Day, January 1; Martin Luther King, Jr.'s birthday, the third Monday in January; Presidents Day, the third Monday in February; Memorial Day, the last Monday in May; Independence Day, July 4; Labor Day, the first Monday in September; Columbus Day, the second Monday in October; Veteran's Day, November 11; Thanksgiving Day, the fourth Thursday in November; and Christmas Day, December 25. On certain of these days, work may be available. If the worker at the conclusion of his work agreement has been afforded less employment opportunity than required under this provision, the worker will be paid at his average hourly rate for the hours, in addition to those actually offered, up to the hourly equivalent of the guaranteed number of days. In determining whether the guarantee of employment has been met, any hours which the Worker fails to work during a workday when he is offered the opportunity to work by the Employer and all hours of work actually performed shall be counted toward meeting this guarantee.

C. This employment guarantee shall be terminated before the end of the Period of Employment if the services of the workers are no longer required for reasons beyond the control of the Employer due to fire, frost, flood, drought, hail, other Act of God which makes fulfillment of this contract impossible. In such cases, the employer will make efforts to transfer worker to other comparable employment acceptable to worker. If such transfer is not effective, workers will be returned at Employer's expense to the place from which Worker, without intervening employment, came to work for employer. In the event of such termination, the 3/4-guarantee period ends on the date of termination. The guarantee shall be void from the beginning should the Worker voluntarily abandon this employment before the end of the contract period or in the event the Worker is terminated for lawful job-related reason.

D. The payroll period shall be weekly. Workers will be paid weekly.

E. Employer will provide a worker referred through the Agricultural Recruitment System forty (40) hours of work for the week beginning with the anticipated date of need, unless the employer has amended the date of need by notifying the local employment service office at least 10 working days prior to the original date of need. If the employer fails to notify the order-holding office, then employer shall pay an eligible worker referred through the interstate clearance system \$8.85 per hour for the first week, starting with the original anticipated date of need. The employer may require the worker to perform alternative work if the guarantee cited in this section is invoked. If the worker fails to notify the order-holding office of his continuing interest in the job no sooner than nine working days and no later than five working days before the date of need, the worker will be disqualified from the above-mentioned assurance. Alternative work will be general farm labor and farm maintenance activities including, cleaning and maintaining migrant housing, pulling and chopping weeds, cutting ditch banks and hedge rows, cutting fire wood, fence mending and the repair and maintenance of farm buildings and equipment.

F. The Employer will furnish to the worker, on or before each payday one or more written statements showing the worker's total earnings for the pay period, his hourly rate or piece rate (if applicable); the hours of work which have been offered to the worker, the total hours actually worked by the worker, an itemization of all deductions made from the worker's wages; if piece rates are used, the units produced daily; the worker's net pay; the employer's name, address and IRS identification number.

In the event the AEWR is eliminated from the H-2A program during the life of this work agreement, either administratively or legislatively, the employer reserves the right to pay the new wage rate under the new guidelines as soon as it becomes effective.

A. The employer will make the following deductions from the Worker's wages: FICA taxes and Federal Income tax as required by law, cash advances and repayment of loans, repayment of overpayment of wages to the worker, payment for articles which the Worker has voluntarily purchased from the Employer, long-distance telephone charges, recovery of any loss to the Employer due to the Worker's damage (beyond normal wear and tear) or loss of equipment or housing items where it is shown that the Worker is responsible, and any other deductions expressly authorized by the Worker in writing.

B. Employers guarantee to offer employment for the hourly equivalent of 3/4 of the workdays of the total specified period during which the work contract and all amendments thereof are in effect, beginning with the first workday after the workers' arrival at the Employer's location, ready, willing, able, and eligible to work and ending on the expiration date specified in the work contract and all extensions thereof or upon the termination of this employment as provided below. For purposes of this guarantee, a "workday" consists of seven hours Monday-Friday and five hours on Saturday. The worker is not required to work on his Sabbath or on federal holidays which are New Year's Day, January 1; Martin Luther King, Jr.'s birthday, the third Monday in January; Presidents Day, the third Monday in February; Memorial Day, the last Monday in May; Independence Day, July 4; Labor Day, the first Monday in September; Columbus Day, the second Monday in October; Veteran's Day, November 11; Thanksgiving Day, the fourth Thursday in November; and Christmas Day, December 25. On certain of these days, work may be available. If the worker at the conclusion of his work agreement has been afforded less employment opportunity than required under this provision, the worker will be paid at his average hourly rate for the hours, in addition to those actually offered, up to the hourly equivalent of the guaranteed number of days. In determining whether the guarantee of employment has been met, any hours which the Worker fails to work during a workday when he is offered the opportunity to work by the Employer and all hours of work actually performed shall be counted toward meeting this guarantee.

C. This employment guarantee shall be terminated before the end of the Period of Employment if the services of the workers are no longer required for reasons beyond the control of the Employer due to fire, frost, flood, drought, hail, other Act of God which makes fulfillment of this contract impossible. In such cases, the employer will make efforts to transfer worker to other comparable employment acceptable to worker. If such transfer is not effective, workers will be returned at Employer's expense to the place from which Worker, without intervening employment, came to work for employer. In the event of such termination, the 3/4-guarantee period ends on the date of termination. The guarantee shall be void from the beginning should the Worker voluntarily abandon this employment before the end of the contract period or in the event the Worker is terminated for lawful job-related reason.

D. The payroll period shall be weekly. Workers will be paid weekly.

E. Employer will provide a worker referred through the Agricultural Recruitment System forty (40) hours of work for the week beginning with the anticipated date of need, unless the employer has amended the date of need by notifying the local employment service office at least 10 working days prior to the original date of need. If the employer fails to notify the order-holding office, then employer shall pay an eligible worker referred through the interstate clearance system \$8.85 per hour for the first week, starting with the original anticipated date of need. The employer may require the worker to perform alternative work if the guarantee cited in this section is invoked. If the worker fails to notify the order-holding office of his continuing interest in the job no sooner than nine working days and no later than five working days before the date of need, the worker will be disqualified from the above-mentioned assurance. Alternative work will be general farm labor and farm maintenance activities including, cleaning and maintaining migrant housing, pulling and chopping weeds, cutting ditch banks and hedge rows, cutting fire wood, fence mending and the repair and maintenance of farm buildings and equipment.

F. The Employer will furnish to the worker, on or before each payday one or more written statements showing the worker's total earnings for the pay period, his hourly rate or piece rate (if applicable); the hours of work which have been offered to the worker, the total hours actually worked by the worker, an itemization of all deductions made from the worker's wages; if piece rates are used, the units produced daily; the worker's net pay; the employer's name, address and IRS identification number.

12. Transportation

The Employer will not advance transportation and subsistence costs to Workers for transportation to the place of employment.

This subparagraph applies only to Workers for whom the employer is legally obligated to supply housing. After worker has completed 50% of work contract period, employers shall reimburse worker for reasonable cost of transportation and subsistence from place of recruitment to place of work. Upon completion of the work agreement, employers will pay for such Workers reasonable costs of return transportation and subsistence to the place of recruitment, except when the worker will not be returning to the place of recruitment, due to subsequent employment with another employer who does not agree to pay such costs, in which case the employer only pays for the transportation to the next job.

The amount of such transportation payment will be equal to the Worker's actual transportation costs not to exceed the most economical and reasonable common carrier transportation charges for the distance involved. In lieu of the above payments to the workers for transportation, the employers reserve the right to charter or otherwise arrange to provide for transportation at the employer's election. Subsistence reimbursement shall be \$9.90 per day, without producing documentation of actual expenses, or will otherwise be paid as per 20 CFR 655.102(b)(5) only to those employees who are eligible under the H-2A program regulations for subsistence pay. By way of illustration and not in limitation of the foregoing, the employer will not pay transportation for such worker if he does not have suitable documents to comply with proof of identity and employment eligibility requirements of IRCA, if he is discharged for lawful job-related reasons, if he has knowledge at the place of recruitment that he can not perform the duties of the job as described above, or if he abandons this employment when he is needed by the Employer. Employer will provide transportation and subsistence under this agreement if the worker is terminated because of work related injury caused by this/these crop activities and is so certified by a doctor acceptable to employer before leaving employers farm, or termination resulting from an Act of God which makes fulfillment of this contract impossible as provided in paragraph 9C or if the worker is displaced by a U.S. worker under DOL's 50% rule. Employer will offer free transportation for workers living in employer's housing facility both to and from the daily work site. The use of the transportation by the worker is voluntary; no worker will be required as a condition of employment to utilize the transportation offered by the employer.

Other Conditions of Employment:

A. Termination: Employer may terminate the worker for lawful job-related reasons and so notify the Job Service local office if the worker: a) refuses without justified cause to perform work for which the worker was recruited and hired, b) commit serious act(s) of misconduct or serious or repeated violation(s) of the assigned Employer's work rules; the Employer may make and post work rules which shall apply to this employment; the worker shall abide by such rules (a copy of Work Rules is attached) c) fails after completing the training period to perform the work as specified in Item 11 and Attachment, or d) malingers or otherwise refused without justified cause to perform as directed the work for which the Worker was recruited and hired; e) provides other lawful job-related reason(s) for termination of employment f) abandons this employment; two consecutive scheduled working days of unexcused absence shall be an abandonment of employment; employees must notify the assigned Employer and secure permission for necessary absences. g) fails to keep up with fellow workers h) falsifying identification, personnel, medical, production or other

"Reason beyond employer's control" includes termination of worker, if he is not a U.S. worker because a U.S. worker makes himself available for the job under DOL's 50% rule. Workers must notify the employer prior to voluntarily terminating their employment. All wages due will be forwarded to the last known address for Workers that leave without providing notice. It is imperative that workers provide a complete and accurate address to the employer no later than the first day of employment. This employer has a no complete, no rehire policy. Termination for lawful job related reasons before the specified ending date listed in this application will disqualify the employee from future employment opportunities with this employer. Workers who abandon their employment without notice during the period covered by this work agreement will be disqualified from future employment opportunities with this employer. Voluntary resignation before the specified ending date listed in this application may disqualify the employee from future employment opportunities with this employer. For workers who resign their employment voluntarily, the employer will consider and evaluate special circumstances and hardship cases on a case-by-case basis. Employees, without exception, are required to notify appropriate supervisory staff prior to voluntarily terminating their employment to be considered and eligible for exemption to the no complete - no rehire policy.

B. The employer may discipline the worker, including requiring the worker to leave the field ("time out") for a period determined by the foreman, suspension from employment for up to three days, or termination of employment as described in termination (A) above.

C. Injuries: Worker will be covered by Worker's Compensation Insurance or equivalent employer provided insurance for injuries arising out of and in the course of employment. Employer's proof of insurance coverage is attached. All workers must report all injuries and illnesses to their employer. Failure not to do so may result in termination

D. Employer Obligation if Employment Extended: No extension of employment beyond the Period of Employment specified in the job order shall relieve the Employer from paying the wages already earned, or if specified in the job order as a term of employment, providing return transportation or paying return transportation expenses to the Worker.

E. Employer Notification of Changes in Employment Terms and Conditions: Employers will expeditiously notify the order-holding local office or State agency by telephone immediately upon learning that a crop is maturing earlier or later, or that weather conditions, over recruitment, or other factors have changed the terms and conditions of employment. The terms of this Work Agreement thereafter may be changed upon posted notice to the Worker.

F. Outreach Workers: Outreach workers shall have reasonable access to the Worker in the conduct of outreach activities pursuant to 20 CFR 653.107 and 20 CFR 653.501.

G Training: There will be a three day training period starting with the first day of employment to acclimate the worker to the physical demands of farm work and to familiarize workers with job specifications and to demonstrate proper harvest methods and other crop specific issues such as, the proper color of produce, or particular grading specifications. The employer will not provide separate formal orientation or training periods for each different crop or each different type of task or job assignment covered within the job description. After completion of the training period, the employer will expect all workers possess the skills to work in the production of the crops noted in Item II. For purposes of this section seven hours will be considered one day.

H. Work Agreement: A copy of the contract or Job Clearance Order and work rules (copy attached) will be provided to the worker by the employer no later than on the day the work commences.

I. U.S. workers may or may not be covered by unemployment insurance and may or may not be eligible under current unemployment regulations

J. Employer agrees to abide by the regulations at 20 CFR 655.103, Assurances, and 20 CFR 653.501.

K. The employer as a part of positive recruitment as per 20 CFR 655.105(a) is willing, if and when any substantial number of applicants are available, to coordinate group transportation arrangements (to facilitate their purchase of bus tickets etc.), where appropriate, and to provide any additional information that workers need to coordinate their arrival. We are an equal opportunity employer. Women and minorities are encouraged to apply to these positions.

L. There are not any strikes, work stoppage, slowdowns or interruption of operations by employees at the place where the workers will be employed.

M. There are not any arrangements made with establishment owners or agents for the payment of a commission or other benefits for sales made to the workers.

N. SUBSTANCE ABUSE POLICY: The employer will strive to provide a safe and healthful work environment, free of substance abuse, for the protection of our associates, employees and visitors. The use, possession or being under the influence of illegal drugs or alcohol during working time is prohibited. (Alcohol may be permitted in the housing facility outside work hours.) Employees may be requested to take random drug or alcohol tests at no cost to the worker. Failure to comply with the request or testing positive may result in immediate termination.

*Use of the masculine pronoun herein is for convenience of reference only.

Application for Conditional Entry

I, Crowder Farms as the employer, agree to abide by regulations at 20 CFR 655.103 and 20 CFR 653.501.

I hereby request permission for conditional entry into the intrastate/interstate clearance system so that my job order can be transmitted to labor supply states in a timely manner to facilitate the recruitment of supply workers. My housing was in compliance with USDOL regulations in 2008 but, because of disuse, cannot meet applicable standards at this time.

As a condition to placing my order into clearance, I, Crowder Farms, certify that 30 days prior to occupancy, my housing will meet standards to the US Department of Labor.

I also authorize representatives of the State Employment Service, the State Health Department and/or the US Employment and Training Administration to inspect the housing that I am offering such workers at any reasonable time to verify its condition.

I expect my housing to be occupied by 1/25/2009.

Certify Number of Workers

We expect the total number of workers we will use in the occupation of this/these crop activities to be 6 of which 5 will be H-2A workers for which certification is requested and the balance, if any, will be US workers. These numbers are estimates only as total workforce needs are dependent upon weather, crop conditions and worker availability.
