Item 7. Number/Type of Workers

Workers must possess documentation required to enable employer to comply with the employment verification requirements of IRCA. Accurate completion of Form I-9 will be required of each worker within (3) days of employment pursuant to U.S. law. All workers hired under this job order must demonstrate eligibility to work legally in the U.S. Refer to the back of Form I-9 for documents acceptable for purposes of establishing employment eligibility. After hiring, employer may verify legitimacy of social security numbers through Employment Verification System (EVS) for workers who have not been employed by him in previous years.

Workers should bring with them documents verifying their legal right to work in the U.S. at the time of employment. Valid eligibility documents will be necessary to complete payroll tax withholding and I-9 forms.

Employer's agent agrees to interview all US workers referred by the State Employment Services, local or by supply states who have been screened by such employment services for:

1. Availability for entire season
2. Have transportation to job site
3. Have been fully apprised by the local employment office of the terms, conditions and nature of employment
4. Are legally entitled to work in the U.S.

Actual hiring commitment is left to the discretion of the employer when applicant presents himself for employment.

Item 8. Work Week

The work day is from 7:00 am until 3:00 pm Monday through Friday and 8:00 AM until 12 noon on Saturday, with an unpaid lunch break (7 hours/day and 5 hours on Saturday). The worker may be requested, but not required, to work as much as 12 hours per day and/or on the Sabbath, depending on weather and other conditions. Extreme heat, cold or drought may affect working hours. Employer will offer 40 hours/week, weather and crop conditions permitting. Worker will report to work at designated time and place as directed by employer each day.

Item 10. Job Specifications

Performs a variety of tasks associated with a diversified grain, hay and cattle farm. Drives and operates farm machinery to plant, cultivate, harvest and store grain and hay crops. Equipment will include tractors, planters, sprayers, cultivators and others. Workers will be expected to be able to operate agricultural equipment without direction. Help with equipment maintenance, load grain and seed, assist with mowing, cutting and baling hay, work in fields, clean around barns. Upon occasion workers may be required to install water lines to sheds, barns, stock tanks and other structures on the farm.

Workers will work loading trucks with bales of hay and sacks of grain weighing from 50 to 60 pounds. Workers must be able to lift such weights to a height of 5 feet over the course of the work

day. Livestock activities include installing/repairing pasture fencing, feeding, watering and assisting with calving.

Workers should be able to work on their feet in bent positions for long periods of time. Allergies to ragweed, goldenrod, insect spray, related chemicals, etc. may affect workers' ability to perform the job. Workers should be physically able to do the work required with or without reasonable accommodations.

Workers are exposed to wet weather early in the morning through the heat of the day, working in fields. Temperatures may range from 10 to 100 F. Workers may be required to work during occasional showers not severe enough to stop work activities.

Employer assures that workers will be provided transportation from living quarters to work site every day (for workers who must be provided housing.)

The employer may discipline the worker, including brief suspension of work activities ("time out") for a period determined by the supervisor, suspension from employment for a set period of days or termination of employment as described in the "Work Rules and Disciplinary Procedures" attached hereto.

Workers may not report for work while under the influence of alcohol or drugs. Except for moderate alcohol consumption in company housing during non-working hours, the possession or use of illegal drugs or alcohol on Company property is prohibited and will be cause for termination.

Persons seeking employment as experienced farm worker must be available for the entire period requested by the employer. Workers hired pursuant to this job order will be subject to a trial period of up to 5 business days during which their performance of required tasks will be evaluated. If the performance is not acceptable to the employer in its sole discretion the worker will be terminated.

All terms and conditions included in the job order will apply equally to all workers, domestic and foreign, employed under this job order.

Item 11. Wage Rates/Pay Information

This job requires 4 months (640 hours) of previous experience working on a grain, hay and cattle farm. For each pay period all workers hired under this job order will be paid \$9.25 /hour, or at \$0.40/hour above the current AEW or prevailing wage rate as determined by the Virginia Employment Commission. In the event the USDOL promulgates a new AEW during the recruitment or contract period which is lower than the AEW in effect at time of application, \$0.40/hour above this lower AEW becomes the guarantee at the discretion of the employer unless there is a prevailing hourly rate higher than the new AEW.

The employer guarantees to offer the workers employment for at least $\frac{3}{4}$ of the work hours of the total period during which the work order and all extensions thereof are in effect, beginning with the first work day after the arrival of the workers at the place of employment and ending on the termination date specified in the work order or its extension, if any. If the employer offers the worker during such period less employment than required under this provision, the worker will be paid the amount he/she would have earned had he/she, in fact, worked for the guaranteed number of hours. Employee will perform other duties related to this/these crop activities and other tasks required in operating a farm.

If, before the expiration date specified in the work order, the service of the workers is no longer required for reasons beyond the control of the employer due to fire, or other Acts of God, such as

frost, flood, drought, hail, etc. which makes the fulfillment of the contract impossible, and the RA so certifies, the employer may terminate the work order and return the worker to the place from which the worker, without intervening employment, came to work for the employer at the expense of the employer.

Employer will provide without charge all tools, supplies and equipment necessary to perform duties assigned.

Unless the employer has amended the date of need no less than ten (10) working days prior to the date of need through notice to the order holding office, the employer will guarantee one week's wages to all workers subject to this order beginning with the anticipated start date. Employers may require workers to perform alternative work if the guarantee under 20 CFR Sec. 653.501 is invoked. "Alternative work" includes all work described in this job order or otherwise approved by the SWA.

Any US worker who fails to notify the nearest Job Service office no sooner than nine (9) working days and no later than five (5) working days prior to the anticipated date of need of his/her intentions to fill the job for which he/she was referred and recruited, will be disqualified from the first week's wage guarantee described above.

If the worker voluntarily abandons employment before the end of the job order period or is terminated for job related reasons or misconduct, the employer will not be responsible for providing or paying return transportation and subsistence expenses of the worker.

Employer agrees to maintain adequate and accurate payroll records. The employer will furnish to each worker on payday an itemized accounting of earnings and of all legal and authorized deductions. Social Security, FICA, and FUTA deductions will be made for individual U.S. workers as required by law.

Employer will provide workers' compensation at no cost to workers covering injury and disease arising out of and in the course of worker's employment. Proof of worker's compensation insurance will be provided to Regional Administrator prior to certification date.

Item 12. Transportation Arrangements

For workers who complete 50 percent of the work period, the employer will reimburse the worker for costs incurred by the worker for transportation and reasonable subsistence from the place from which the worker came to work for the employer to the place of employment. Subsistence will be in accordance with current rates published in the Federal Register (for workers with and without receipts.) The amount of the reimbursement for transportation shall be the worker's actual cost, but no more than the most economical and reasonable similar common carrier transportation charges for the distance involved.

If the worker completes the period of employment, the employer will provide or pay for the worker's transportation and reasonable subsistence from the place of employment to the place from which the worker came to work for the employer, except when the worker has accepted subsequent employment with another employer who agrees to accept the return transportation costs, in which case this employer only pays for the transportation to the next job.

For the purposes of the above requirements the "period of employment" shall be the period from the first workday the worker is at the employer's farm and is ready, willing, able and eligible to work until the anticipated ending day of employment in Item 6.

Reimbursement of inbound and return transportation costs applies only to persons recruited from outside normal commuting distance (to and from their permanent place of residence each day; see page one). Return transportation will not be provided to workers who voluntarily abandon employment before the end of employment period or who are terminated for cause.

The employer will provide transportation at no cost to the worker from the employer provided housing to the worksite and return on a daily basis. Such transportation shall be in accordance with applicable laws and regulations. The use of this transportation is voluntary; no worker will be required as a condition of employment to utilize the transportation and subsistence if applicable.

If the services of the worker are no longer required for reasons beyond the control of the employer due to fire or other acts of God such as frosts, flood, drought, hail or the like which makes fulfillment of the work period impossible and Regional Administrator so certifies, the employer will provide reimbursement for transportation and daily subsistence from the place of recruitment for covered employees.

Assurances

The employer agrees to abide by the regulations at 20 CFR 655.103 and 20 CFR 653.501.

Small Employer Exemption

The employer requests an exemption from the 50% rule under 655.103(e). It did not, during the last calendar year, use more than 500 'man-days' of agricultural labor as defined in Section 3 (u) of the Fair Labor Standards Act of 1938 (29 USC 203 [u]). The employer is not a member of an association which has applied for a temporary alien agricultural labor certification under this subpart for its members, and has not otherwise associated with other employers who are applying for H-2A workers under this subpart.

The worker understands that if he quits or is terminated for cause prior to the end of the period of employment he will not receive certain transportation reimbursement discussed under Item 12 and may not be eligible for rehire in future years.

Employer may terminate the worker for lawful job-related reasons and so notify the Job Service local office if the worker (a) abandons the employment; three consecutive workdays of unexcused absence shall be an abandonment of employment; employee must notify the employer and secure permission for necessary absences; (b) malingers or otherwise refuses without justified cause to perform as directed the work for which the worker was recruited and hired; (c) commits serious act(s) of misconduct or serious or repeated violation(s) of the employer's work rules; the employer may make and post work rules which shall apply to this employment; the worker shall abide by such rules (a copy of general rules is attached); (d) fails after completing the allowable training period to perform in a workmanlike manner to enable the employer to produce and sell a premium quality product; (e) provides other lawful job-related reasons for termination of employment.

This work agreement shall also be terminated by reason of fire, hurricane, frost, flood, drought, hail, other acts of God or other calamity or reason beyond the employer's control to make fulfillment of this work agreement impossible. "Reason beyond employer's control" includes termination of worker, if he is not a US worker because a US worker makes himself available for the job under DOL 50% rule.

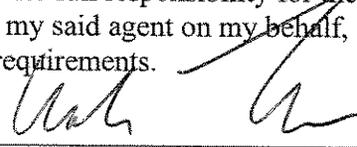

A copy of the Agricultural Work Agreement and Work Rules will be provided to the worker no later than the date work commences.
